Miss Me Not-Tiffany King 2012-11-23 They had a pact. Leave the world behind much as they had lived it. No one would miss them. No harm, no foul. Their personal demons would be left behind once and for all. It was the only thing they could count on. It was all she had.--From back cover.

Undead and Done-MaryJanice Davidson 2016-10-04 Vampire Queen Betsy Taylor continues her rule in Hell in the scorchingly funny finale to the Undead series from New York Times bestselling author MaryJanice Davidson. It had been a well-kept secret for centuries, but now the existence of vampires is all over the news, thanks to Betsy Taylor's half sister (and the frustrated former Antichrist), Laura. Life for the undead will never be the same, and it's up to Betsy to do some damage control. But her interview on the local news doesn't exactly put out the fire. It more or less pours kerosene on it.

With all the added attention on supernatural beings, the werewolves are more than a little agitated (never a good thing) and demand that Betsy gets her interview skills, and her family, in order. And while things go from bad to worse in the world, Hell continues to be hell—especially when Betsy's new parole program becomes about as complicated as you'd expect. With a PR team launching a vampire-friendly campaign, the devil at large and out to make trouble, and mermaids on hand to see who falls—and how hard—the end isn't just near. It's here. And if anyone knows how to go out with a bang, it's the queen of Hell. From the Hardcover edition.

Bone Magic-Yasmine Galenorn 2010-01-05 The New York Times bestselling author of Demon

Mistress returns with a new sensual Otherworld paranormal... Another equinox is here, and life's getting more tumultuous for the D'Artigo sisters. Smoky, the dragon of Camille's dreams, must choose between his family and her. Plus, the sisters can't locate the new demon general in town. And Camille's summoned to Otherworld, thinking she'll reunite with her long-lost soul mate Trillian. But once there, she must undergo a drastic ritual that will forever change her and those she loves.

Would-be Witch-Kimberly Frost 2013 When her locket, which contains the soul of a family ghost, is stolen, Tammy Jo Trask, whose magical powers do not work properly, enlists the aid of Bryn Lyons, one of the most magically gifted people in small-town Duvall, Texas.

Lord of Snow and Shadows-Sarah Ash 2003-07-29 Combining the best of fantasy traditions with her own unique vision, Sarah Ash brings to dazzling life a new saga filled with epic adventure and unforgettable characters. Far-reaching in scope and imagination, Lord of Snow and Shadows embarks on a journey like no other—into a shape-shifting world teeming with political intrigue, astonishing magic, and passions both dark and light. Raised by his protective mother in the sunny clime of the south, Gavril Andar knows nothing of his father—or the ominous legacy that awaits him. But his innocence is about to be shattered. The man who ruled the wintry kingdom of Azhkendir, a man infused with the burning blood of the dragon-warrior known as Drakhaoul, has been murdered by his enemies. It is his fiery, chameleonlike blood that pulses through Gavril's veins. The news is Gavril's first taste of death—but it will not be his last. For

blood is the liquid that seals his fate. Expected by clan warriors from the north to avenge his father's murder--and still his unquiet ghost--Gavril is kidnapped. He soon learns that becoming Drakhaon means not only ascending to the throne of Azhkendir but changing, in subtle ways at first, into a being of extraordinary power and might. A being that must be replenished with the blood of innocents in order to survive.

Ensnared in Kastel Drakhaon with no means of escape from the icebound kingdom, and carefully watched by neighboring rulers waiting to move against him, the untested Gavril must fight to retain his human heart and soul in the face of impending war--and the dark instincts that threaten to overpower him. Man and beast, spymaster and insurgent, nature and the netherworld--all collide in phenomenal twists and turns. A masterwork of adventure fantasy, Lord of Snow and Shadows will leave you stunned--and longing for more. From the Hardcover edition.

Desperate in Dubai-Ameera Al Hakawati 2011-11-20 Oozing with men, money, and Maseratis, Dubai is the ultimate playground for the woman who knows her Louboutins from her Louis Vuittons. But for some, there's a lot more at stake than a Hermes Birkin. Leila has been in search of a wealthy husband for over a decade. Nadia moves to Dubai to support her husband's career, only to have her sacrifices thrown in her face. Sugar escapes the UK in an attempt to escape her past. Lady Luxe, the rebellious Emirati heiress, scoffs at everything her culture holds sacred. Until the day her double life starts unravelling at the seams. Set against a backdrop of luxury hotels and manmade islands, Desperate in Dubai tells the tale of four desperate women as they struggle to find truth, love, and themselves.

The Feudal Monarchy in France and England-C. Petit-Dutaillis 2013-11-05 Originally published between 1920-70, The History of Civilization was a landmark in early twentieth century publishing. It was published at a formative time within the social sciences, and during a period of decisive historical discovery. The aim of the general editor, C.K. Ogden, was to summarize the most up-to-date findings and theories of historians, anthropologists, archaeologists and sociologists. All Ages-Beth Lahickey 1997 With All Ages, Beth Lahickey presents a comprehensive overview of an underground hardcore music scene. The book includes 29 interviews with people involved in the straight edge scene, some of whom are now in prominent bands. '

The Second Cycle-Lars Kolind 2006 You're growing fast. You're profitable. Maybe they're even writing great things about you in the business press. But, just beneath the surface, are you incubating the seeds of disaster? It's happened over and over again, in one industry after another, to companies ranging from IBM to Upjohn. In this book, Lars Kolind helps you uncover the earliest signs of trouble--and reignite a powerful new growth cycle. Drawing upon his own experience as the CEO who turned around Oticon, the world's top manufacturer of hearing aids, Kolind introduces a comprehensive toolbox for revitalizing mature organizations: tools for creating consensus around change, using staff more effectively, promoting innovation, and much more. Finally, he applies his tools to a wide range of organizations in decline, including the U.S. auto industry. The result: specific, practical advice you can adapt to galvanize your organization, no matter how well you're doing today.

Never Cross a Vampire-Stuart M. Kaminsky 2011-12-13 The stakes are life and death when Bela Lugosi is threatened in this "affectionate parody of the hard-boiled private-eye" genre (The New York Times). 1942: In the basement of a crumbling Los Angeles movie palace, five vampires crowd around Bela Lugosi. They should not frighten the fading horror icon, who found worldwide fame as Dracula, for these are only wannabes--diehard fans who get their kicks

dressing up as bloodsuckers. But Lugosi is terrified, because he knows that one of these crackpots has been making threats against his life. Their fangs may be plastic, but their lethal intentions are all too real. For protection, Lugosi hires Hollywood private eye Toby Peters, who's splitting his time between this case and a job for his old employers: the Warner brothers. A Hollywood murder has been linked to one of the studio's star screenwriters: the brilliant novelist and violent drunk, William Faulkner. To his horror, Peters finds a connection between the two cases. To get Faulkner off the hook, he'll have to find out who wants to close the coffin lid on Dracula. With "shades of Raymond Chandler and Dashiell Hammett" Edgar Award-winning author Stuart Kaminsky's 1940s Hollywood PI is once again cracking wise and saving celebrities from psychos (The San Diego Union-Tribune). The World of Robert Jordan's The Wheel of Time- Robert Jordan 2017-05-30 Since its debut in 1990, The Wheel of Time® by Robert Jordan has captivated millions of readers around the globe with its scope, originality, and compelling characters. Ah! cette cause celebre!... Comment, au.. Oksa Pollock: Tainted Bonds-Anne Plichota 2016-02-25 Home is where the danger starts...

Oksa Pollock's worlds are dying, and she faces her toughest challenge yet: to bring our world, and her magical ancestral home, Edefia, back to life again. As Earth collapses, only the power that Oksa inherits as Graciousness will be anywhere near enough to save them. But between her and hope lies her most wicked enemy: Ocious, the cause of all her family's heartbreak. There are other things on her mind, too: her mother and her best friend Gus are trapped back in our world, her almost-boyfriend Tugdual is behaving oddly, and her grandmother has been lost to them altogether. If Ocious is able to take someone else close to Oksa, the future of both

worlds would be in greater danger than ever... Anne Plichota was born in Dijon, France, and after studying Chinese language and culture spent several years living and working in Korea and China. Cendrine Wolf was born in the Alsace region of France. She studied sports, and went on to work with teenagers in deprived neighbourhoods. Cendrine and Anne have been friends for almost two decades and have always wanted to find a project to work on together (including plans to open an English delicatessen in eastern France!). They are glad they finally found one.
