Marie Antoinette at Petit  
Trianon-Denise Maior-Barron  
2018-07-11 Marie Antoinette  
at Petit Trianon challenges

common perceptions of the last Queen of France, appraising the role she played in relation to the events of French Revolution through an original analysis of contemporary heritage practices and visitor perceptions at her former home, the Petit Trianon. Controversy and martyrdom have placed Marie Antoinette's image within a spectrum of cultural caricatures that range from taboo to iconic. With a foundation in critical heritage studies, this book examines the diverse range of contemporary images portraying Marie Antoinette's historical character, showing how they affect the interpretation and perception of the Petit Trianon. By considering both producers and receivers of these cultural heritage exponents - Marie Antoinette's historical figure and the historic house museum of the Petit Trianon - the book expands current understandings of twenty-first century cultural heritage perceptions in relation to tourism and popular culture. A useful case study for academics, researchers and

postgraduate students of cultural heritage, it will also be of interest to historians, keepers of house museums and those working in the field of tourism studies.

Herd Register-American Guernsey Cattle Club 1922 Marie Antoinette's Head-Will Bashor 2013-10-16 Marie Antoinette has remained atop the popular cultural landscape for centuries for the daring in style and fashion that she brought to 18th century France. For the better part of the queen's reign, one man was entrusted with the sole responsibility of ensuring that her coiffure was at its most ostentatious best. Who was this minister of fashion who wielded such tremendous influence over the queen's affairs? Winner of the Adele Mellen Prize for Distinguished Scholarship, Marie Antoinette's Head: The Royal Hairdresser, The Queen, and the Revolution charts the rise of Leonard Autie from humble origins as a country barber in the south of France to the inventor of the Pouf and premier hairdresser to Queen Marie-Antoinette. By unearthing a variety of sources from the 18th and

19th centuries, including memoirs (including Léonard's own), court documents, and archived periodicals the author, French History professor and expert Will Bashor, tells Autie's mostly unknown story. Bashor chronicles Leonard's story, the role he played in the life of his most famous client, and the chaotic and history-making world in which he rose to prominence. Besides his proximity to the queen, Leonard also had a most fascinating life filled with sex (he was the only man in a female dominated court), seduction, intrigue, espionage, theft, exile, treason, and possibly, execution.

Late Victorian and Edwardian Fashions-Tom Tierney 2005-11-01 Attractive couples model fashionable apparel worn from the 1860s through 1910: frock coats, trousers, top hats for the men; gowns with hoop skirts, softly draped bustles, and bloomers for the ladies. 29 black-and-white illustrations.

The Northeastern Dictionary of Women's Biography-Jennifer S. Uglow 1999 The most comprehensive

reference book of its kind, with more than 60 new entries in this third edition. Macmillan Dictionary of Women's Biography-Jennifer Uglow 1991-06-27 The enthusiastic response to the Dictionary has prompted this second substantially enlarged, revised and updated edition. It now contains essential details of the lives of over 2000 women from all periods, cultures and walks of life - from queens to cooks, engineers to entertainers, pilots to poisoners. The new entries include women who have hit the headlines in the past five years - from Cory Aquino to Madonna - but the historical coverage has also been broadened in response to new research and a special new feature is the extended treatment of women from Third World countries. With subsections for further reading, comprehensive subject index and bibliographical survey, the Macmillan Dictionary of Women's Biography is an invaluable reference source - and a fascinating bed-time read.

Uglow 2005-03-08 The Palgrave Macmillan Dictionary of Women's Biography contains details of the lives of over 2100 women from all periods, cultures and walks of life - from queens to TV chefs, engineers to stand up comics, pilots to poisoners. With subsections for further reading, comprehensive subject index and a bibliographical survey, this dictionary of women's biography is an invaluable reference source.

Elsie de Wolfe's Paris-Charlie Scheips 2014-10-14 The American decorator Elsie de Wolfe (1858-1950) was the international set's preeminent hostess in Paris during the interwar years. She had a legendary villa in Versailles, where in the late 1930s she held two fabulous parties—her Circus Balls—that marked the end of the social scene that her friend Cole Porter perfectly captured in his songs, as the clouds of war swept through Europe. Charlie Scheips tells the story of these glamorous parties using a wealth of

previously unpublished photographs and introducing a large cast of aristocrats, beauties, politicians, fashion designers, movie stars, moguls, artists, caterers, florists, party planners, and decorators. A landmark work of social history and a poignant vision of a vanished world, Scheips's book belongs on the shelf with Abrams' classics such as Slim Aarons: Once Upon A Time and Tony Duquette.

Beyond Boundaries-Gisli Palsson 2020-09-03 Anthropology, it is often argued, is an art of translation. Recently, however, social theorists have raised serious doubts about the translator's enterprise. Over the last few years the human social and ecological habitat has seen spectacular developments. Modern humans inhabit a 'global village' in a very genuine sense. What lessons may be learned from these developments for anthropology? In Beyond Boundaries, ten anthropologists from different countries address the problem of social understanding and cultural translation from

A Rose of Savoy-Hugh Noel Williams 1909

Bitter Greens-Kate Forsyth 2014-09-23 A Library Journal Best Book of 2014: Historical Fiction The amazing power and truth of the Rapunzel fairy tale comes alive for the first time in this breathtaking tale of desire, black magic and the redemptive power of love French novelist Charlotte-Rose de la Force has been banished from the court of Versailles by the Sun King, Louis XIV, after a series of scandalous love affairs. At the convent, she is comforted by an old nun, Sœur Seraphina, who tells her the tale of a young girl who, a hundred years earlier, is sold by her parents for a handful of bitter greens... After Margherita's father steals parsley from the walled garden of the courtesan Selena Leonelli, he is threatened with having both hands cut off, unless he and his wife relinquish their precious little girl. Selena is

the famous red-haired muse of the artist Tiziano, first painted by him in 1512 and still inspiring him at the time of his death. She is at the center of Renaissance life in Venice, a world of beauty and danger, seduction and betrayal, love and superstition. Locked away in a tower, Margherita sings in the hope that someone will hear her. One day, a young man does. Award-winning author Kate Forsyth braids together the stories of Margherita, Selena, and Charlotte-Rose, the woman who penned Rapunzel as we now know it, to create what is a sumptuous historical novel, an enchanting fairy tale retelling, and a loving tribute to the imagination of one remarkable woman.

back streets of Paris to the palace of Versailles, where the aging King Louis XV has become a jaded and bitter old philanderer. Jeanne bursts into his life and, as the Comtesse du Barry, quickly becomes his official mistress. "That beastly bourgeois Pompadour was one thing; a common prostitute is quite another kettle of fish." After decades of suffering the King's endless stream of Royal Favorites, the princesses of the Court have reached a breaking point. Horrified that he would bring the lowborn Comtesse du Barry into the hallowed halls of Versailles, Louis XV's daughters, led by the indomitable Madame Adelaide, vow eternal enmity and enlist the dauphine Marie Antoinette in their fight against the new mistress. But as tensions rise and the French Revolution draws closer, a prostitute in the palace soon becomes the least of the nobility's concerns. Told in Christie's witty and engaging style, the final book in The Mistresses of Versailles trilogy will delight and entrance fans as it once again brings to life the sumptuous and cruel world of eighteenth

century Versailles, and France as it approaches irrevocable change.

Promotion, Or, A Morning at Versailles-James Robinson Planché 1852

Vigée Le Brun-Joseph Baillio 2016-02-15 Elisabeth Louise Vigée Le Brun (1755-1842) was one of the finest eighteenth-century french painters and among the most important women artists of all time. Celebrated for her expressive portraits of French royalty and aristocracy, and especially of her patron Marie Antoinette, Vigée Le Brun exemplified success and resourcefulness in an age when women were rarely allowed either. Because of her close association with the queen Vigée Le Brun was forced to flee France during the French Revolution. For twelve years she traveled throughout Europe, painting noble sitters in the courts of Naples, Russia, Austria, and Prussia. She returned to France in 1802, under the reign of Emperor Napoleon I, where her creativity continued unabated. This handsome volume details Vigée Le Brun's story, portraying a talented artist

who nimbly negotiated a shifting political and geographic landscape. Essays by international scholars address the ease with which this self-taught artist worked with monarchs, the nobility, court officials and luminaries of arts and letters, many of whom attended her famous salons. The position of women artists in Europe and at the Salons of the period is also explored, as are the challenges faced by Vigée Le Brun during her exile. The ninety paintings and pastels included in this volume attest to Vigée Le Brun's superb sense of color and expression. They include exquisite depictions of counts and countesses, princes and princesses alongside mothers and children, including the artist herself and her beloved daughter, Julie. A chronology of the life of Vigée Le Brun and a map of her travels accompany the text, elucidating the peregrinations of this remarkable, independent painter. The Royal Diaries: Marie Antoinette: Princess of Versailles, Austria-France, 1769-Kathryn Lasky 2013-11-26 Newbery Honor

author Kathryn Lasky's MARIE ANTOINETTE is back in print with a gorgeous new package! To forge an incredibly powerful political alliance, thirteen-year-old Marie Antoinette of Austria is betrothed to Dauphin Louis Auguste, who will one day be the king of France. To prepare her for this awesome responsibility, she must be trained to write, read, speak French, dress, act . . . even breathe. Things become more difficult for her when she is separated from her family and sent to the court of Versailles to meet her future husband. Opinionated and headstrong Marie Antoinette must find a way to fit in at the royal court, and get along with her fiancé. The future of Austria and France falls upon her shoulders. But as she lives a luxurious life inside the palace gates, out on the streets the people of France face hunger and poverty. Through the pages of her diary, Marie captures the isolation, the lavish parties and gowns, her struggle to find her place, and the years leading up her ascendance of the throne . . . and a revolution. 1855

First Lady of Versailles-Lucy Norton 1978 Biografie van Marie-Adélaïde de Savoie (1685-1712), vroeggestorven echtgenote van de eveneens vroeggestorven Franse troonopvolger Louis (duc de Bourgogne), en moeder van de latere koning Louis XV.

The Sphere- 1905

The Exceptional Woman-Mary D. Sheriff 1996 Elisabeth Vigée-Lebrun (1755-1842) was an enormously successful painter, a favorite portraitist of Marie-Antoinette, and one of the few women accepted into the Royal Academy of Painting and Sculpture. In her role as an artist, she was simultaneously flattered as a charming woman and vilified as monstrously unfeminine. In the Exceptional Woman, Mary D. Sheriff uses Vigée-Lebrun's career to explore the contradictory position of "woman-artist" in the moral, philosophical, professional, and medical debates about women in eighteenth-century France. Central to Sheriff's analysis is one key question: given the cultural norms and social attitudes that regulated a woman's activities, how could Vigée-Lebrun conceive

of herself as an artist, and indeed become a successful one, in old-regime France. Paying particular attention to painted and textual self-portraits, Sheriff shows how Vigée-Lebrun's images and memoirs undermined the assumptions about "woman" and the strictures imposed on women. Engaging ancien-regime philosophy as well as modern feminism, psychoanalysis, literary theory, and art criticism, Sheriff's interpretations of Vigée-Lebrun's paintings challenge us to rethink the work of this controversial woman artist.

The Forbidden Rose-Joanna Bourne 2010-06-01 A career is blooming... A glittering French aristocrat is on the run, disguised as a British governess. England's top spy has a score to settle with her family. But as they're drawn inexorably into the intrigue and madness of Revolutionary Paris, they gamble on a love to which neither of them will admit.

Networks of Desire-Frenchy Lunning 2007 "Japan's pop culture, once believed unexportable, is now hitting the shores of other nations

like a tsunami. In North America, young fans consume vast amounts of manga and anime, while academics increasingly study the entire J-pop phenomenon to understand it. One community has passion while the other has discipline, and what has been lacking is a bridge between the two.

Mechademia is the bridge, and with a name like that, how can one go wrong? So why wait? Hop in your giant mobile suit and stomp down to the local real or virtual bookstore to purchase a copy right now!" —Frederik L. Schodt, author of *Manga! Manga! The World of Japanese Comics* *Networks of Desire*—the second volume in the *Mechademia* series, an annual forum devoted to critical and creative work on Japanese anime, manga, and the fan cultures that have coalesced around them—explores the varieties of desire that structure and influence much of contemporary anime and manga in manifestations that range from the explicitly sexual to more sublimated text and imagery. Collecting original essays by scholars,

artists, and fans, *Networks of Desire* considers key issues at play in a Japanese society increasingly uncertain of its place in a globalized world: from idealized representations of same-sex desire in such shjo manga (girls's comics) as *The Rose of Versailles*, to fan fiction inspired by the gender-switching manga *Ranma ½*, to desire in otaku communities. Deftly weaving together desire and discourse, *Mechademia 2* illuminates the techno-carnal fantasies, animalistic consumption, political nostalgia, and existential hunger underlying the most popular and influential expressions of Japanese popular culture today. Queen of Fashion-Caroline Weber 2007-10-02 In this dazzling new vision of the ever-fascinating queen, a dynamic young historian reveals how Marie Antoinette's bold attempts to reshape royal fashion changed the future of France Marie Antoinette has always stood as an icon of supreme style, but surprisingly none of her biographers have paid sustained attention to her clothes. In Queen of Fashion, Caroline Weber shows how Marie Antoinette developed her reputation for fashionable excess, and explains through lively, illuminating new research the political controversies that her clothing provoked. Weber surveys Marie Antoinette's "Revolution in Dress," covering each phase of the

queen's tumultuous life, beginning with the young girl, struggling to survive Versailles's rigid traditions of royal glamour (twelve-foot-wide hoopskirts, whalebone corsets that crushed her organs). As queen, Marie Antoinette used stunning, often extreme costumes to project an image of power and wage war against her enemies. Gradually, however, she began to lose her hold on the French when she started to adopt "unqueenly" outfits (the provocative chemise) that, surprisingly, would be adopted by the revolutionaries who executed her. Weber's queen is sublime, human, and surprising: a sometimes courageous monarch unwilling to allow others to determine her destiny. The paradox of her tragic story, according to Weber, is that fashion—the vehicle she used to secure her triumphs—was also the means of her undoing. Weber's book is not only a stylish and original addition to Marie Antoinette scholarship, but also a moving, revelatory reinterpretation of one of history's most controversial figures.

The Spectator- 1922

Marie Antoinette's  
Confidante-Geri Walton  
2016-09-30 The true story of  
the woman who befriended  
the last queen of France—and  
the price she paid for her  
devotion. Perhaps no one  
knew Marie Antoinette better  
than one of her closest  
confidantes, Marie Thérèse,  
the Princess de Lamballe. The  
princess became  
superintendent of the queen's  
household in 1774, and  
through her relationship with  
Marie Antoinette, she gained  
a unique perspective of the  
lavishness and daily intrigue  
at Versailles. Born into the  
famous House of Savoy in  
Turin, Italy, Marie Thérèse  
was married at the age of  
seventeen to the Prince de  
Lamballe, heir to one of the  
richest fortunes in France. He  
transported her to the gold-  
leafed and glittering  
chandeliered halls of the  
Château de Versailles, where  
she soon found herself  
immersed in the political and

sexual scandals that  
surrounded the royal court.  
As the plotters and planners  
of Versailles sought, at all  
costs, to gain the favor of  
Louis XVI and his queen, the  
Princess de Lamballe was  
there to witness it all. This  
book reveals the Princess de  
Lamballe's version of these  
events and is based on a wide  
variety of historical sources,  
helping to capture the waning  
days and grisly demise of the  
French monarchy. The story  
immerses you in a world of  
titillating sexual rumors,  
bloodthirsty revolutionaries,  
and hair-raising escape  
attempts—a must read for  
anyone interested in Marie

expensive necklace for Madame du Barry, a woman with whom he was infatuated. Before the necklace could be finished, King Louis XV died of smallpox. Upon the coronation of Queen Marie Antoinette, the jewelers offered the piece to Marie; the Queen refused. Again, upon the birth of the Dauphin of France, Louis-Joseph in 1781, the necklace was offered and the Queen refused once more. In 1784, a con artist known as Jeanne de Saint-Rémy de Valois started a fake correspondence from the Queen to jewelers Boehmer and Bassenge, informing them that she would like the necklace after all. The jewelers delivered the necklace to the con artists and later complained to Queen Antoinette about never receiving payment. Scandal ensued even after the con artists had been arrested and it was proven the Queen was not involved in the scam.

Possibly because of the Queen's already sullied reputation with the French people, she came under much criticism. Today, scholars believe this scandal was one of the last events that led to the French Revolution and Marie Antoinette's execution.
