La rose de vie (pulp gay)-Maxime Fulbert 2014-06-20 La rose de vie Maxime Fulbert Simon, lycéen, aime Florent, un de ses camarades de classe plus connu pour son physique avantageux que pour ses résultats scolaires. Les deux garçons complémentaires se rapprochent. Florent a un complexe incompréhensible : il n'aime pas son nez et souhaite le refaire. Tommy Bolton, un étudiant américain, troublé par Florent, et adepte de La Rose de vie propose à ce dernier de lui offrir l'intervention esthétique en Californie. Simon a peur que ce cadeau cache un endocrinement à une secte. Retrouvez tous nos titres sur <http://www.textesgais.fr/>

Dictionary of Literary Themes and Motifs-Jean-Charles Seigneuret 1988 This index is a veritable who's who of the greats of Western literature. . . . The Board recommends it for every collection whose users conduct analytical studies of literature. Reference Books Bulletin The powerful hold that literature exercises is based primarily on recognition--the reader's ability to identify with others through shared human concerns that transcend trace, time, and cultural boundaries. These universal themes, and how they have been treated in literature from the classical period to the present, are the subject of the critical essays comprising this volume. A fascinating resource for students and general readers and an essential research tool for scholars in literature, it is the first thematic reference on this scale to be published in English. The dictionary consists of 143 essays contributed by 98 specialists in world literature. Topics covered include themes relating to adventure, family life, the supernatural, eroticism, status, humor, idealism, terror, and many other categories of human experience. Each entry begins with a definition and a sketch on the origin and historical background of the literary theme. The topical essay discusses the significance and occurrence of the theme in world literature and supplies information on geographical area, genre, style, and chronology. Entries conclude with a selected bibliography of scholarship in the area. A cross-index to themes and motifs will enable the reader to find information on secondary or related topics. Convenient to use and presented in a standardized format, this major new reference will be an important acquisition for libraries with collections in English, American, and world literature.

The Dictionary of Homophobia-Louis-Georges Tin 2008-11-01 "Tin's Dictionary of Homophobia is so sweeping in its scope that one can dip into it again and again and learn something, or confront an idea in which even the most well-read queer will find fresh intellectual nourishment and historical illumination."—Gay City News Based on the work of seventy researchers in fifteen countries, The Dictionary of Homophobia is a mammoth, encyclopedic book that documents the history of homosexuality, and various cultural responses to it, in all regions of the world: a masterful, engaged, and wholly relevant study that traces the political and social emancipation of a culture. The book is the first English translation of Dictionnaire de L'Homophobie, published in France in 2003 to worldwide acclaim; its editor, Louis-Georges Tin, launched the first International Day Against Homophobia in 2005, now celebrated in more than fifty countries around the world. The Dictionary of Homophobia includes over 175 essays on various aspects of gay rights and homophobia as experienced in all regions in Africa, the Americas, Asia, Europe, and the South Pacific, from the earliest epochs to present day. Subjects include religious and ideological forces such as the Bible, Communism, Judaism, Hinduism, and Islam; historical subjects, events, and personalities such as AIDS, Stonewall, J. Edgar Hoover, Matthew Shepard, Oscar Wilde, Pat Buchanan, Joseph McCarthy, Pope John Paul II, and Anita Bryant; and other topics such as coming out, adoption, deportation, ex-gays, lesbiphobia, and bi-phobia. In a world where gay marriage remains a hot-button political issue, and where adults and even teens are still being executed by authorities for the "crime" of homosexuality, The Dictionary of Homophobia is a both a revealing and necessary history lesson for us all.

Canadian Who's Who 2007-Elizabeth Lumley 2007 " Now in its ninety-seventh year of publication, this standard Canadian reference source contains the most comprehensive and authoritative biographical information on notable living Canadians. Those listed are carefully selected because of the positions they hold in Canadian society, or because of the contribution they have made to life in Canada. The volume is updated annually to ensure accuracy, and 600 new entries are added each year to keep current with developing trends and issues in Canadian society. Included are outstanding Canadians from all walks of life: politics, media, academia, business, sports and the arts, from every area of human activity. Each entry details birth date and place, education, family, career history, memberships, creative works, honours and awards, and full addresses. Indispensable to researchers, students, media, business, government and schools, Canadian Who's Who is an invaluable source of general knowledge. The complete text of Canadian Who's Who is also available on CD-ROM, in a comprehensively indexed and fully searchable format. Search 'astronaut' or 'entrepreneur of the year,' 'aboriginal achievement award' and 'Order of Canada' and discover a wealth of information. Fast, easy and more accessible than ever, the Canadian Who's Who on CD-ROM is an essential addition to your electronic library. Network Licensing available.
