Notes on England-Hippolyte Taine 1872

An Atlas of Speciation in African Passerine Birds-Beryl Patricia Hall 1970

12,000 Words-Merriam-Webster, Inc 1986 This supplement provides the definition, pronunciation, derivation, syllabication, and part of speech for 12,000 new words Psychogeography-Merlin Coverley 2010-10-01 The term "psychogeography" is used to illustrate a bewildering array of ideas, from ley lines and the occult to urban walking and political radicalism—where does it come from and what exactly does it mean? Psychogeography is the point where psychology and geography meet in assessing the emotional and behavioral impact of urban space. The relationship between a city and its inhabitants is measured firstly through an imaginative and literary response, secondly on foot through walking the city. This creates a tradition of the writer as walker and has both a literary and a political component. This guide examines the origins of psychogeography in the Situationist Movement of the 1950s, exploring the theoretical background and its political applications as well as the work of early practitioners such as Guy Debord and Raoul Vaneigem. Elsewhere, psychogeographic ideas continue to find retrospective validation in much earlier traditions from the visionary writing of William Blake and Thomas De Quincey to the rise of the flâneur on the streets of 19th century Paris and on through the avant-garde experimentation of the Surrealists. These precursors are discussed here alongside their modern counterparts, for today these ideas hold greater currency than ever through the popularity of writers and filmmakers such as Iain Sinclair and Peter Ackroyd, Stewart Home and Patrick Keiller. This guide offers both an explanation and definition of the terms involved, an analysis of the key figures and their work, and practical information on psychogeographical groups and organizations.

Henry Drummond-James Young Simpson 1901

Flora Tristan's London Journal-Flora Tristan 1980

Past Secrets-Cathy Kelly 2010-05-11 They all hide secrets that won't go away.... From the outside, the welcoming, garden-adorned houses of Summer Street are the picture of Irish charm. But on the inside, unexpected and heartbreaking secrets swirl. At house number thirty-two, hardworking, single-mother Faye Reid conceals the truth about her marriage from her fiery daughter, Amber. But Amber, a budding artist, also hides something from her all-too-trusting mother: a relationship with a rock star hopeful for whom she plans to throw away her future. And at number forty-eight, Maggie Maguire arrives at her childhood home to help her sick mother, a welcome distraction from the life she left behind and the startling secret she's hiding -- from herself. And only become harder to keep... At thirty-four Summer Street, wise and kind Christie Devlin has the remarkable ability to see into the lives and hearts of others -- and may have the answers when her neighbors' carefully hidden secrets bubble to the surface. But when Christie's own past comes back to haunt her -- posing a threat to her picture-perfect marriage -- this time the answers aren't as clear.

A History of English Literature- 1934

Chansons Populaires-Gustave Nadaud 2019-02-27 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. Plague Maker-Tim Downs 2007-04-08 July Fourth: New York City Hundreds of thousands line the banks of the East and Hudson Rivers awaiting the nation’s largest fireworks display. Soon the sky will explode in cascading showers of silver and gold. Everywhere, faces will turn skyward in wide-eyed wonder. Then the sky will grow dark again—but it will not be empty. The air will be filled with clouds of smoke and specks of debris will rain down everywhere. Some will pick bits of paper from their children’s hair. Some will brush away still-burning sparks or embers. And some will absentmindedly scratch at the tiny, biting specks that dot their necks and arms. Will the beginning of the show mark the beginning of the end? That’s what FBI agent Nathan Donovan must decide. When he is forced to enlist the help of ex-wife Macy Monroe, and expert in the psychology of terrorism, the fireworks really begin—but she may be the only one who can help him stop the Plague maker in time. “Plague Maker is a novel that can proudly be shelved beside any [book] featuring Crichton or Clancy and hold its own.” —www.infuzemag.com

Troo's Big Climb-Cheryl Crouch 2011 When Troo's parents tell him not to climb the biggest tree in the forest, he climbs to the top anyway.

Stumbling Souls-Chris Plekenpol 2010-05-10 A compelling story of Chris's interactions with a homosexual, HIV-positive, homeless man, demonstrating what happens when believers risk living out their faith in tangible ways.

New Documentary Ecologies-K. Nash 2014-02-20 Providing a unique collection of perspectives on the persistence of documentary as a vital and dynamic media form within a digital world, New Documentary Ecologies traces this form through new opportunities of creating media, new platforms of distribution and new ways for audiences to engage with the real.

Beguiling Dreams-Diego Højraj 2015-08-31 Dr. Daniel Hoffman is a young man just out of residency, now working in an inner-city hospital in New York City in 1999. As he contends with the usual panel of challenging patients, Daniel struggles to make sense of his life, one that includes the untimely death of his father, haunting nightmares that plague him nightly and pervasive memories of an ill-fated childhood journey to Argentina, the country of his birth. Young Daniel is sent away by his mother to Buenos Aires in 1979 to convalesce with relatives after a complicated surgery. It is a month long trip in which Daniel stays with an odd assortment of characters that make up a part of his extended family. Daniel falls in love with and longs to be a part of this world he was born in. As the story progresses, pulsing between present and past, the line between dream and reality begins to blur. Back in New York City, the young doctor searches for a way to hang on to the one thing that will help him learn to accept the past and move forward to the present. Through his encounters with patients and colleagues Dr. Hoffman attempts to find solace and understanding, as young Daniel’s journey unravels and descends into tragedy. Beguiling Dreams is more than a story of remembrance and loss. It serves as a testimony to one man’s unrelenting search for identity, balanced between two separate worlds.

Peruvian Printout-Alec Haig 1974

The Hospital Summer-Janet Ferguson 1989

African Luxury-Mehita Iqani 2020-01-15 Moving far beyond predominant views of Africa as a place to be "saved," and even more recent celebratory formulations of it as "rising," African Luxury: Aesthetics and Politics highlights and critically interrogates the visual and material cultures of lavish and luxurious consumption already present on the continent. Methodologically, conceptually, and analytically, this collection dismantles taken-for-granted ideas that the West is the source and focus of high-end and hyper-desirable material cultures. It explores what the culture of consumption means in Africa in both historical and contemporary contexts, studying diverse luxury phenomena including fashion advertising, reality television, retail, gendered consumption, and gardening to re-center the discussion on existing contemporary luxury cultures across the continent.

Development of Vertebrate Anatomy-Joy B. Phillips 1975

Poetry in Stitches-Solveig Hisdal 2010-02 "Solveig Hisdal is not only aware of the knowledge housed in Norway's museums, she has also learned how to use it. She has visited museums throughout the country, searching eagerly for the treasures that her ancestors left behind. She has found textiles, chests, cabinets and old folk costumes that have later become her greatest source of inspiration. This book is a result of her quest, and it shows how the creativity of the past has inspired her to make beautiful knitted designs. It contains wonderful knitting ideas for almost all occasions, from a child's christening outfit to an exquisite, knitted bridal cardigan with beads and silk. Whether you wish to be inspired by the beautiful pictures, or knit some of the outfits -- enjoy the book!"--P. [4] of cover.

Two Faces of Deviance-Paul R. Wilson 1978 Chapter by J.B. Braithwaite and B. Condon separately annotated.

The Power of Surrender Cards- 2016

Liddell and Scott-Christopher Stray 2019-09-19 The Greek-English Lexicon of Liddell and Scott is one of the most famous dictionaries in the world, and for the past century-and-a-half has been a constant and indispensable presence in teaching, learning, and research on ancient Greek throughout the English-speaking world and beyond. Despite continuous modification and updating, it is still recognizably a Victorian creation; at the same time, however, it carries undiminished authority both for its account of the Greek language and for its system of organizing and presenting linguistic data. The present volume brings together essays by twenty-two scholars on all aspects of the history, constitution, and problematics of this extraordinary work, enabling the reader both to understand its complex history and to appreciate it as a monument to the challenges and pitfalls of classical scholarship. The contributors have combined a variety of approaches and methodologies - historical, philological, theoretical - in order to situate the book within the various disciplines to which it is relevant, from semantics, lexicography, and historical linguistics, to literary theory, Victorian studies, and the history of the book. Paying tribute to the Lexicon’s enormous effect on the evolving theory and practice of lexicography, it also includes a section looking forward to new developments in dictionary-making in the digital age, bringing comprehensively up to date the question of what the future holds for this fascinating and perplexing monument to the challenges of understanding an ancient language.

Shizzle, Inc-Ana Spoke 2015-10-31 Debt is always negative, no matter how positively you try to look at it. Fifteen minutes of fame is all Isa Maxwell needs to solve her financial woes and win back Brad, the love of her life. Trouble is she doesn't have a talent needed to get discovered, become a celebrity, or "show Brad" what he's missing. She doesn't even have enough self-awareness to understand what is happening around her. What she does have, however, is determination and sheer luck. When Isa literally lands on her butt in a billionaire's office, she also accidentally lands the job of her dreams. She soars up the corporate ladder and is offered opportunities to change the corporate marketing strategy and renegotiate a major merger. Not a small feat for someone who doesn't know what "marketing strategy" or "merger" mean to begin with. Meanwhile, she seems to attract attention of new love interests - a hot cop, a mysterious neighbor, the billionaire himself, and even her best girl Tara. Life's a dream. Until it turns into a nightmare. Can Isa survive the tough world of corporate intrigue and constant looming bodily harm? Or will her persistence cause the end of Shizzle, Inc and possibly her life?

The Historical Roots of Elementary Mathematics-Lucas N. H. Bunt 2012-12-11 Exciting, hands-on approach to understanding fundamental underpinnings of modern arithmetic, algebra, geometry and number systems examines their origins in early Egyptian, Babylonian, and Greek sources.

Collect Call-José Leandro Urbina 1999

The Bright Pavilions-Hugh Walpole 2020 This fifth novel in the Herries Chronicle, set against the background of the turmoil and politics of Elizabethan England, tells the tale of one family's experiences of divided loyalties and thwarted love. Being the first part of the prequel to the Herries Chronicles.

Bad Boy-Peter Robinson 2010-08-24 From New York Times bestselling author Peter Robinson comes this mesmerizing story-within-a-story—that will thrill his fans and bring him many new readers. A distraught woman arrives at the Eastvale police station desperate to speak to Detective Chief Inspector Alan Banks. But Banks is abroad, and the woman's revelation of a loaded gun hidden in her daughter Erin’s bedroom leads to a shocking fatality when a police armed-response team breaks into her house. The fallout will have dark consequences for Banks and his partner, DI Annie Cabbot. It turns out that Erin’s best friend is Banks’ own daughter, Tracy . . .

who was last seen in the company of the weapon's actual owner, a very bad boy indeed. Now that his child is on the run with a psychopath, Banks finds himself caught in a bloody tangle of betrayal and murder. But the rogue DCI is a bit of a bad boy himself, and he'll freely risk his life and career in the cause of love—and vengeance. Thrilling, harrowing, and utterly compelling, Bad Boy showcases Peter Robinson's masterful writing.

Tuna-Kenneth Cook 2012 Jack Foster, a tough Australian fisherman struggling to earn his living from the sea, has one all-consuming dream - to own his own tuna boat.

The chance of a bargain boat unexpectedly comes his way and Jack plunges deeply into debt to buy it. With a sudden twist of fortune, he finds himself with a week to make a big catch or lose everything he owns to his creditors. Tensions reach breaking point as Jack battles desperately against time and the sea to save his dream.
