Une couronne d'épées-Robert Jordan 2020-11-18 La Roue du Temps tourne et les Âges naissent et meurent, laissant dans leur sillage des souvenirs destinés à devenir des légendes. Après avoir échappé à la Tour Blanche, Rand a réussi l’impensable : obtenir la fidélité de certaines Aes Sedai renégates. Mais il est toujours pris en tenaille entre les Suppôts des Ténèbres et les Seanchaniens, une pression dont il se passerait bien alors qu’il réunit ses forces pour se lancer à l’assaut de l’Illian, devenu le bastion de Sammael. De leur côté, Elayne et Nynaeve cherchent un moyen de briser l’emprise du Ténébreux sur le climat. Quant à Egwene, elle conduit une armée vers Tar Valon. L’Ultime Bataille approche... « Jordan est parvenu à dominer le monde que Tolkien a révélé. » - The New York Times Nouvelle traduction - Texte intégral

Un lever de ténèbres - Première partie-Robert Jordan 2019-11-13 « Robert Jordan est parvenu à dominer le monde que Tolkien a révélé. » - The New York Times La Roue du Temps tourne et les Âges naissent et meurent, laissant dans leur sillage des souvenirs destinés à devenir des légendes. Forteresse réputée imprenable depuis des millénaires, la Pierre de Tear est tombée, conquise par Rand al'Thor et un groupe d'Aiels, ces terribles guerriers du désert qui se voilent le visage pour combattre. Désormais en possession de l'épée mythique Callandar, Rand peut clamer à la face du monde qu'il est le Dragon Réincarné. Un grand pas en avant, certes, mais vers quelle destinée ? Censé sauver le monde, le jeune homme doit d’abord apprendre à maîtriser le saidin. Hélas, cette moitié masculine du Pouvoir de l’Unique est une arme à double tranchant. Car elle condamne à la folie et à la mort les hommes à qui elle offre la gloire et la puissance... Ce volume comprend la première moitié du roman Un lever de ténèbres, quatrième tome de La Roue du Temps.

Fluid Machinery and Fluid Mechanics-Jianzhong Xu 2010-07-05 "Fluid Machinery and Fluid Mechanics: 4th International Symposium (4th ISFMFE)" is the proceedings of 4th International Symposium on Fluid Machinery and Fluid Engineering, held in Beijing November 24-27, 2008. It contains 69 highly informative technical papers presented at the Mei Lecture session and the technical sessions of the symposium. The Chinese Society of Engineering Thermophysics (CSET) organized the First, the Second and the Third International Symposium on Fluid Machinery and Fluid Engineering (1996, 2000 and 2004). The purpose of the 4th Symposium is to provide a common forum for exchange of scientific and technical information worldwide on fluid machinery and fluid engineering for scientists and engineers. The main subject of this symposium is "Fluid Machinery for Energy Conservation". The "Mei Lecture" reports on the most recent developments of fluid machinery in commemoration of the late professor Mei Zuyan. The book is intended for researchers and engineers in fluid machinery and fluid engineering. Jianzhong Xu is a professor at the Chinese Society of Engineering Thermophysics, Chinese Academy of Sciences, Beijing.

Multidisciplinary Aspects of Time and Time Perception-Argiro Vatakis 2011-11-22 This book constitutes the documentation of the scientific outcome of the first meeting of the TIMELY network, the International Workshop on Multidisciplinary Aspects of Time and Time Perception, which took place in Athens, Greece, in October 2010. The 21 papers presented were carefully reviewed and selected for inclusion in the book. They cover the following topics: conceptual analysis and measurement of time; exploring factors associated with time perception variability; extending time research to ecologically-valid stimuli and real-world applications; and uncovering the neural correlates of time perception.

The Anomaly-Michael Rutger 2018-06-19 INDIANA JONES MEETS THE X-FILES IN THIS "TAKE NO PRISONERS' (PRESTON & CHILD) SURVIVAL THRILLER OF A ROGUE ARCHAEOLOGIST TRAPPED IN A GRAND CANYON CAVE THAT'S A CONSPIRACY THEORY COME TO LIFE. Not all secrets are meant to be found. If Indiana Jones lived in the X-Files era, he might bear at least a passing resemblance to Nolan Moore -- a rogue archaeologist hosting a documentary series derisively dismissed by the "real" experts, but beloved of conspiracy theorists. Nolan sets out to retrace the steps of an explorer from 1909 who claimed to have discovered a mysterious cavern high up in the ancient rock of the Grand Canyon. And, for once, he may have actually found what he seeks. Then the trip takes a nasty turn, and the cave begins turning against them in mysterious ways. Nolan's story becomes one of survival against seemingly impossible odds. The only way out is to answer a series of intriguing questions: What is this strange cave? How has it remained hidden for so long? And what secret does it conceal that made its last visitors attempt to seal it forever? Ghost King-David Gemmell 2011-06-08 Chaos and terror stalked the realm. The king had been slain by traitors, and the sword of power had been lost beyond the Circle of Mist. Armies of Saxons, Angles, Jutes, and Brigantes cut a gory swath across the land, led by puppets of the ruthless Witch Queen--whose minions included dark, bloodthirsty creatures and a savage, undead warrior. All hope lay with young Thuro--in whose veins flowed the blood of kings. He would have to defeat the Witch Queen's monsters and travel to the land of the Mist, there to seek a ghostly army. And the only one who could prepare Thuro to achieve his birthright was the mountain warrior Culain, the one man who knew the queen's deadly secret. . . . The legend of the mystic Stones of Power begins with a tale of blood and glory, of love and betrayal, as a boy must come of age amidst the seemingly impossible quest to become the High King. Chromosome Painting-Arun Kumar Sharma 2011-06-27 Chromosome Painting is the most modern and novel technique for directly identifying several gene sequences simultaneously in the chromosome, with the aid of specific probes in molecular hybridization. Its resolution ranges from single copy to entire genome sequences. It is now applied in plant, animal, and human systems, in gene mapping, identification of genetic disorders, evolutionary studies, and gene transfer experiments. This treatise is the first of its kind to cover the technique with all its modifications and applications. It is designed for regular use by postgraduate students and research workers in cell and molecular genetics, plant and animal sciences, agriculture, medicine, and phylogenetic studies.

Lea's Chemistry of Cement and Concrete-Peter Hewlett 2003-11-12 Lea's Chemistry of Cement and Concrete deals with the chemical and physical properties of cements and concretes and their relation to the practical problems that arise in manufacture and use. As such it is addressed not only to the chemist and those concerned with the science and technology of silicate materials, but also to those interested in the use of concrete in building and civil engineering construction. Much attention is given to the suitability of materials, to the conditions under which concrete can excel and those where it may deteriorate and to the precautionary or remedial measures that can be adopted. First published in 1935, this is the fourth edition and the first to appear since the death of Sir Frederick Lea, the original author. Over the life of the first three editions, this book has become the authority on its subject. The fourth edition is edited by Professor Peter C. Hewlett, Director of the British Board of Agreement and visiting Industrial Professor in the Department of Civil Engineering at the University of Dundee. Professor Hewlett has brought together a distinguished body of international contributors to produce an edition which is a worthy successor to the previous editions.

Farlander-Col Buchanan 2011-01-18 The Heart of the World is a land in strife. For fifty years the Holy Empire of Mann, an empire and religion born from a nihilistic urban cult, has been conquering nation after nation. Their leader, Holy Matriarch Sasheen, ruthlessly maintains control through her Diplomats, priests trained as subtle predators. Ash is a member of an elite group of assassins, the Roshun, who offer protection through the threat of vendetta. Forced by his ailing health to take on an apprentice, he chooses Nico, a young man living in the besieged city of Bar-Khos. At the time, Nico is hungry, desperate, and alone in a city that finds itself teetering on the brink. When the Holy Matriarch's son deliberately murders a woman under the protection of the Roshun; he forces the sect to seek his life in retribution. As Ash and his young apprentice set out to fulfill the Roshun orders, their journey takes them into the heart of the conflict between the Empire and the Free Ports...into bloodshed and death. Kull-Robert E. Howard 2006-10-31 In a meteoric career that spanned a mere twelve years, Robert E. Howard single-handedly invented the genre that came to be called sword and sorcery. From his fertile imagination sprang some of fiction's most enduring heroes. Yet while Conan is indisputably Howard's greatest creation, it was in his earlier sequence of tales featuring Kull, a fearless warrior with the brooding intellect of a philosopher, that Howard began to develop the distinctive themes, and the

richly evocative blend of history and mythology, that would distinguish his later tales of the Hyborian Age. Much more than simply the prototype for Conan, Kull is a fascinating character in his own right: an exile from fabled Atlantis who wins the crown of Valusia, only to find it as much a burden as a prize. This groundbreaking collection, lavishly illustrated by award-winning artist Justin Sweet, gathers together all Howard's stories featuring Kull, from Kull' s first published appearance, in “The Shadow Kingdom,” to “Kings of the Night,” Howard' s last tale featuring the cerebral swordsman. The stories are presented just as Howard wrote them, with all subsequent editorial emendations removed. Also included are previously unpublished stories, drafts, and fragments, plus extensive notes on the texts, an introduction by Howard authority Steve Tompkins, and an essay by noted editor Patrice Louinet. Praise for Kull “Robert E. Howard had a gritty, vibrant style--broadsword writing that cut its way to the heart, with heroes who are truly larger than life.”—David Gemmell “Howard’s writing seems so highly charged with energy that it nearly gives off sparks.”—Stephen King “Howard was a true storyteller—one of the first, and certainly among the best, you’ll find in heroic fantasy. If you’ve never read him before, you’ re in for a real treat.”—Charles de Lint “For stark, living fear . . . what other writer is even in the running with Robert E. Howard?”—H. P. Lovecraft Themis-Jane Ellen Harrison 2010-06-24 The revolutionary classical scholar Jane Ellen Harrison pieces together the origins of early Greek religion in this seminal 1927 work.

Block 46-Johana Gustawsson 2017-05-01 Evil remembers... Falkenberg, Sweden. The mutilated body of talented young jewellery designer, Linnea Blix, is found in a snow-swept marina. Hampstead Heath, London. The body of a young boy is discovered with similar wounds to Linnea's. Buchenwald Concentration Camp, 1944. In the midst of the hell of the Holocaust, Erich Hebner will do anything to see himself as a human again. Are the two murders the work of a serial killer, and how are they connected to shocking events at Buchenwald? Emily Roy, a profiler on loan to Scotland Yard from the Canadian Royal Mounted Police, joins up with Linnea's friend, French true-crime writer Alexis Castells, to investigate the puzzling case. They travel between Sweden and London, and then deep into the past, as a startling and terrifying connection comes to light. Plumbing the darkness and the horrific evidence of the nature of evil, Block 46 is a multi-layered, sweeping and evocative thriller that heralds a stunning new voice in French Noir. 'A bold and intelligent read' Laura Wilson, Guardian 'Compelling' Women's Own 'Dark, oppressive and bloody but it's also thought-provoking, compelling and very moving' Metro 'A bold and audacious debut from a very talented writer. Heralds the beginning of a thrilling new series' R J Ellory 'A real page-turner, I loved it' Martina Cole 'A great serial-killer thriller with a nice twist ... first rate' James Oswald 'Cleverly plotted, simply excellent' Ragnar Jónasson

Once Forsaken (A Riley Paige Mystery—Book 7)-Blake Pierce 2017-03-10

A Cosmology of Monsters-Shaun Hamill 2020-08-04 "If John Irving ever wrote a horror novel, it would be something like this. I loved it." --Stephen King ONE OF THE BEST BOOKS OF THE YEAR: ESQUIRE - THE NERD DAILY - THE NEW YORK PUBLIC LIBRARY A GOODREADS CHOICE AWARDS FINALIST Monsters both figurative and very literal stalk the Turner family. The youngest child, Noah, narrates the family history: how in the late '60s, his bookish mother, Margaret, marries Lovecraft-lover Harry against her better judgment. The couple has two daughters--Sydney, born for the spotlight, and the brilliant but awkward Eunice, a natural writer and storyteller. But finances are tight, Margaret and Eunice are haunted by horrific dreams, and Harry starts acting strangely. He becomes obsessed with the construction of an elaborately crafted haunted house attraction, christened the Wandering Dark. The family tries to shield baby Noah from the house's faux horrors, but unbeknownst to them, he's being visited by a furry beast with glowing orange eyes--the same ghastly being glimpsed by both his mother and sister. However, unlike them, Noah decides to let the creature in. . . . As he approaches the conclusion of his family's tale, it becomes more and more apparent that there's only one way the story can end: with Noah making the ultimate sacrifice.

The Crooked Staircase-Dean Koontz 2018-05-08 NEW YORK TIMES BESTSELLER • Jane Hawk—who dazzled readers in The Silent Corner and The Whispering Room—faces the fight of her life, against the threat of a lifetime, in this electrifying new thriller by #1 New York Times bestselling suspense master Dean Koontz. “I could be dead tomorrow. Or something worse than dead.” Jane Hawk knows she may be living on borrowed time. But as long as she’s breathing, she’ll never cease her one-woman war against the terrifying conspiracy that threatens the freedom—and free will—of millions. Battling the strange epidemic of murder-suicides that claimed Jane’s husband, and is escalating across the country, has made the rogue FBI agent a wanted fugitive, relentlessly hunted not only by the government but by the secret cabal behind the plot. Deploying every resource their malign nexus of power and technology commands, Jane’s enemies are determined to see her dead . . . or make her wish she was. Jane’s ruthless pursuers can’t stop her from drawing a bead on her prey: a cunning man with connections in high places, a twisted soul of unspeakable depths with an army of professional killers on call. Propelled by her righteous fury and implacable insistence on justice, Jane will make her way from southern Southern California to the snow-swept slopes of Lake Tahoe to confront head-on the lethal forces arrayed against her. But nothing can prepare her for the chilling truth that awaits when she descends the crooked staircase to the dark and dreadful place where her long nightmare was born. Don’t miss any of Dean Koontz’s gripping Jane Hawk thrillers: THE SILENT CORNER • THE WHISPERING ROOM • THE CROOKED STAIRCASE Praise for The Crooked Staircase “An absorbing thriller full of fresh touches. . . . Writing his unusual heroine, Koontz keeps the pages alive with attitude as well as action. . . . For Hawk, who is as fearless as she is beautiful, no obstacle is too great, especially with the well-being of her hidden-away five-year-old son on her mind.”—Kirkus Reviews “Spellbinding . . . Beautifully plotted and written with notable care and flare . . . The Hawk series . . . is among [Koontz’s] best work.”—Booklist (starred review) “Unrelenting . . . [Jane] rivets readers’ attention. . . . Michael Crichton fans and thriller aficionados who appreciate a fierce female protagonist . . . should be urged to meet Jane Hawk.”—Library Journal

Great North Road-Peter F. Hamilton 2013-01-01 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY New York Times bestselling author Peter F. Hamilton's riveting new thriller combines the nail-biting suspense of a serial-killer investigation with clear-eyed scientific and social extrapolation to create a future that seems not merely plausible but inevitable. A century from now, thanks to a technology allowing instantaneous travel across light-years, humanity has solved its energy shortages, cleaned up the environment, and created far-flung colony worlds. The keys to this empire belong to the powerful North family—composed of successive generations of clones. Yet these clones are not identical. For one thing, genetic errors have crept in with each generation. For another, the original three clone “brothers” have gone their separate ways, and the branches of the family are now friendly rivals more than allies. Or maybe not so friendly. At least that’s what the murder of a North clone in the English city of Newcastle suggests to Detective Sidney Hurst. Sid is a solid investigator who’d like nothing better than to hand off this hot potato of a case. The way he figures it, whether he solves the crime or not, he’ll make enough enemies to ruin his career. Yet Sid’s case is about to take an unexpected turn: because the circumstances of the murder bear an uncanny resemblance to a killing that took place years ago on the planet St. Libra, where a North clone and his entire household were slaughtered in cold blood. The convicted slayer, Angela Tramelo, has always claimed her innocence. And now it seems she may have been right. Because only the St. Libra killer could have committed the Newcastle crime. Problem is, Angela also claims that the murderer was an alien monster. Now Sid must navigate through a Byzantine minefield of competing interests within the police department and the world’s political and economic elite . . . all the while hunting down a brutal killer poised to strike again. And on St. Libra, Angela, newly released from prison, joins a mission to hunt down the elusive alien, only to learn that the line between hunter and hunted is a thin one. BONUS: This edition includes an excerpt from Peter F. Hamilton’s The Abyss Beyond Dreams. Praise for Great North Road “A mesmerizing page-turner.”—Publishers Weekly (starred review) “A gripping saga that blends wilderness survival, police procedural, political and social

intrigue, and dynastic sf into a mammoth tale featuring believable characters and exceptionally skilled storytelling.”—Library Journal (starred review) “A perfect introduction to [Hamilton’s] gifts for character design, dialogue, and sheer, big-idea-driven storytelling.”—Booklist (starred review) “Compelling and original . . . an awesome novel [with] plenty of action.”—SFRevu “One very compelling and entertaining science fiction novel.”—SF Site “Simply brilliant . . . an astonishing achievement.”—Tor.com

Legend-Katy Evans 2016-02-09 The highly anticipated sixth story in the New York Times bestselling series that began withReal—“a rare mix of fevered obsession and gentle enchantment...a visceral and addicting debut” (Christina Lauren). A young girl in a love triangle—caught between her desire for a dangerous, monstrous man and a nice guy who makes her happy for the first time in her life.

Storm Cursed-Patricia Briggs 2019-05-07 In this powerful entry in the #1 New York Times bestselling series, Mercy Thompson must face a deadly enemy to defend all she loves... My name is Mercedes Athena Thompson Hauptman, and I am a car mechanic. And a coyote shapeshifter. And the mate of the Alpha of the Columbia Basin werewolf pack. Even so, none of that would have gotten me into trouble if, a few months ago, I hadn’t stood upon a bridge and taken responsibility for the safety of the citizens who lived in our territory. It seemed like the thing to do at the time. It should have only involved hunting down killer goblins, zombie goats, and an occasional troll. Instead, our home was viewed as neutral ground, a place where humans would feel safe to come and treat with the fae. The reality is that nothing and no one is safe. As generals and politicians face off with the Gray Lords of the fae, a storm is coming and her name is Death. But we are pack, and we have given our word. We will die to keep it.

The Book of Wisdom-Alfred Thomas Scrope Goodrick 1913

A Time of Torment-John Connolly 2017-05-23 #1 internationally bestselling author John Connolly delivers a masterful combination of “the hard-boiled with the supernatural” (Publishers Weekly, starred review) with this return of dangerous and driven private investigator Charlie Parker as he battles an old evil that haunts a strange and isolated community. Jerome Burnel was once a hero. He intervened to prevent multiple killings, and in doing so damned himself. His life was torn apart, imprisoned and brutalized. But in his final days, with the hunters circling, he tells his story to private detective Charlie Parker. He speaks of the girl who was marked for death, but was saved; of the ones who tormented him, and an entity that hides in a ruined stockade. Parker is not like other men. He died, and was reborn. He is ready to wage war. Now he will descend upon a strange, isolated community called the Cut, and face down a force of men who rule by terror, intimidation, and murder. All in the name of the being they serve. All in the name of the Dead King.

Chasing Chariots-André J. Veldmeijer 2013-12-01 The present work is the result of the First International Chariot Conference, jointly organised by the Netherlands-Flemish Institute in Cairo (NVIC) and the American University in Cairo (AUC) (30 November to 2 December 2012). The intention of the conference was to make a broad assessment of the current state of knowledge about chariots in Egypt and the Near East, and to provide a forum for discussion. A wide variety of papers are included, ranging from overviews to more detailed studies focusing on a specific topic. These include philology, iconography, archaeology, engineering, history, and conservation. The book is of interest to scholars as well as anyone with an interest in ancient technology, transportation, or warfare.

A Veil of Spears-Bradley P. Beaulieu 2018-03-20 The third book in The Song of Shattered Sands series--an epic fantasy with a desert setting, filled with rich worldbuilding and pulse-pounding action. Since the Night of Endless Swords, a bloody battle the Kings of Sharakhai narrowly won, the kings have been hounding the rebels known as the Moonless Host. Many have been forced to flee the city, including Çeda, who discovers that the King of Sloth is raising his army to challenge the other kings' rule. When Çeda finds the remaining members of the Moonless Host, now known as the thirteenth tribe, she sees a tenuous existence. Çeda hatches a plan to return to Sharakhai and free the asirim, the kings' powerful, immortal slaves. The kings, however, have sent their greatest tactician, the King of Swords, to bring Çeda to justice for her crimes. But the once-unified front of the kings is crumbling. The surviving kings vie quietly against one another, maneuvering for control over Sharakhai. Çeda hopes to use that to her advantage, but whom to trust? Any of them might betray her. As Çeda works to lift the shackles from the asirim and save the thirteenth tribe, the kings of Sharakhai, the scheming queen of Qaimir, the ruthless blood mage, Hamzakiir, and King of Swords all prepare for a grand clash that may decide the fate of all.

International Perspectives on Spinal Cord Injury-World Health Organization 2013 "Every year between 250 000 and 500 000 people suffer a spinal cord injury, with road traffic crashes, falls and violence as the three leading causes. People with spinal cord injury are two to five times more likely to die prematurely. They also have lower rates of school enrollment and economic participation than people without such injuries. Spinal cord injury has costly consequences for the individual and society, but it is preventable, survivable and need not preclude good health and social inclusion. Ensuring an adequate medical and rehabilitation response, followed by supportive services and accessible environments, can help minimize the disruption to people with spinal cord injury and their families. The aims of International perspectives on spinal cord injury are to: --assemble and summarize information on spinal cord injury, in particular the epidemiology, services, interventions and policies that are relevant, together with the lived experience of people with spinal cord injury; --make recommendations for actions based on this evidence that are consistent with the aspirations for people with disabilities as expressed in the Convention on the Rights of Persons with Disabilities.

Agrarian Change in Late Antiquity-Jairus Banaji 2001 "Exploiting a wide range of sources, Agrarian Change in Late Antiquity weaves together different strands of historiography into a fascinating interpretation that challenges the minimalist orthodoxies about late antiquity and the ancient economy."--BOOK JACKET.

Blue Moon-Laurell K. Hamilton 2010-03-04 An Anita Blake, Vampire Hunter, novel 'Richard was an alpha werewolf. It was his only serious flaw. We'd broken up after I'd seen him eat somebody.' You never forget your ex-fiance. And when the call came at three in the morning, I thought for a moment it was him. It wasn't. It was his brother. And it wasn't good news. Apparently the former love of my life had got himself thrown into jail for assaulting a woman. Since I make my living as a preternatural expert, I tend to believe almost anything's possible. But though he may be one of the monsters, Richard would never harm a woman. So it's Anita Blake to the rescue. I've got just a few days to spring Richard and find out who framed him - and why. There's a full moon coming, and if my werewolf love is still behind bars when it rises, he'll be facing a lot worse than an assault charge...

If There's No Tomorrow-Jennifer L. Armentrout 2017-09-05 Lena Wise is always looking forward to tomorrow, especially at the start of her senior year. She’s ready to pack in as much friend time as possible, to finish college applications and to maybe let her childhood best friend Sebastian know how she really feels about him. For Lena, the upcoming year is going to be epic—one of opportunities and chances. Until one choice, one moment, destroys everything. Now Lena isn’t looking forward to tomorrow. Not when friend time may never be the same. Not when college applications feel all but impossible. Not when Sebastian might never forgive her for what happened. For what she let happen. With the guilt growing each day, Lena knows that her only hope is to move on. But how can she move on when her and her friends’ entire existences have been redefined? How can she move on when tomorrow isn’t even guaranteed?

Fool's Assassin-Robin Hobb 2014-08-12 NEW YORK TIMES BESTSELLER Nearly twenty years ago, Robin Hobb burst upon the fantasy scene with the first of her acclaimed Farseer novels, Assassin’s Apprentice, which introduced the characters of FitzChivalry Farseer and his uncanny friend the Fool. A watershed moment in modern fantasy, this novel—and those that followed—broke exciting new ground in a beloved genre. Together with George R. R. Martin, Robin Hobb helped pave the way for such talented new voices as Scott Lynch, Brandon Sanderson, and Naomi Novik. Over the years, Hobb’s imagination has soared throughout the mythic lands of the Six Duchies in such bestselling series as the Liveship Traders Trilogy and the Rain Wilds Chronicles. But no matter how far she roamed, her heart always remained with Fitz. And now, at last, she has come home, with an astonishing new novel that opens a dark and gripping chapter in the Farseer saga. FitzChivalry—royal bastard and former king’s assassin—has left his life of intrigue behind. As far as the rest of the world knows, FitzChivalry Farseer is dead and buried. Masquerading as Tom Badgerlock, Fitz is now married to his childhood sweetheart, Molly, and leading the quiet life of a country squire. Though Fitz is haunted by the disappearance of the Fool, who did so much to shape Fitz into the man he has become, such private hurts are put aside in the business of daily life, at least until the appearance of menacing, pale-skinned strangers casts a sinister shadow over Fitz’s past . . . and his future. Now, to protect his new life, the former assassin must once again take up his old one. . . . Praise for Fool’s Assassin “Hobb knows the complicated workings of the wayward human heart, and she takes time to depict them in her tale, to tell her story sweetly, insistently, compellingly. . . . A book meant to be inhabited rather than run through.”—The Seattle Times “[FitzChivalry Farseer is] one of the best characters in fantasy literature.”—Fantasy Book Review “[Hobb’s] prose sparkles, her characters leap off the page.”—Tordotcom “Modern fantasy at its irresistible best.”—The Guardian “Fantastic . . . emotionally rich storytelling.”—Library Journal (starred review)

Angel of Storms-Trudi Canavan 2016-08-16 International No.1 bestselling author Trudi Canavan returns with the second novel in the Millennium’s Rule series -- her most powerful and thrilling adventure yet. Tyen is teaching mechanical magic at a school respected throughout the worlds. News arrives that the formidable ruler of all worlds, long believed to be dead, is back and enforcing his old laws - including the one forbidding schools of magic. As teachers and students flee, Tyen is left with no home and no purpose...except the promise he made to Vella, the sorcerer imprisoned in a book. Tyen must decide what he is willing to do to free her. After five years among the tapestry weavers of Schpeta, Rielle's peaceful new life has been shattered by a local war. As defeat looms, the powerful Angel of Storms appears and invites Rielle to join the artisans of his celestial realm. But what will he require in return for this extraordinary offer? Archangel's Viper-Nalini Singh 2017-09-26 Enter New York Times bestselling author Nalini Singh’s breathtakingly passionate Guild Hunter world with the story of a woman who isn’t a vampire or an angel...or human... Once a broken girl known as Sorrow, Holly Chang now prowls the shadowy gray underground of the city for the angels. But it’s not her winged allies who make her a wanted woman—it’s the unknown power coursing through her veins. Brutalized by an insane archangel, she was left with the bloodlust of a vampire, the ability to mesmerize her prey, and a poisonous bite. Now, someone has put a bounty on her head... Venom is one of the Seven, Archangel Raphael’s private guard, and he’s as infuriating as he is seductive. A centuries-old vampire, his fangs dispense a poison deadlier than Holly’s. But even if Venom can protect Holly from those hunting her, he might not be able to save himself—because the strange, violent power inside Holly is awakening... No one is safe.
