La Route de Santa Anna- Serge Brussolo 2014-10-08 Markh est un cascadeur hors-pair, un fou du volant. Il est recruté par un trafiquant de drogue qui a une idée tellement délirante qu'elle devient plausible. Au Texas, à la frontière mexicaine, se dresse de part et d'autre du Rio Grande un monument dédié à l'amitié entre les deux pays : il s'agit d'une rampe de lancement en béton, comme

un pont auquel il manquerait la partie centrale. Markh, au volant d'une voiture au moteur gonflé à l'oxyde nitrique, doit s'élancer côté américain, récupérer des millions de dollars et faire le trajet inverse. L'opération se prépare minutieusement et promet d'être un succès. C'est sans compter la présence d'une famille de losers qui vivent non loin de là dans un mobil-home : Grand'Pa Julius, un ancien para tyrannique,

Wichita, sa belle-fille, qui rêve de refaire sa vie à Hollywood, sa fille Sue, qui travaille comme gardienne du monument, et Timmy, le petit frère un peu débile. Alors qu'ils ont décidé de braquer la voiture avec le magot, tout tourne au vinaigre et le cartel mexicain va se mettre à régler des comptes...

Interstate 5 (Santa Ana Freeway) from State Route 91 in Orange County to Interstate 605 in Los Angeles County- 2006

Santa Anna of Mexico-Will Fowler 2009-10-25 Antonio López de Santa Anna (1794?1876) is one of the most famous, and infamous, figures in Mexican history. Six times the country's president, he is consistently depicted as a traitor, a turncoat, and a tyrant?the exclusive cause of all of Mexico's misfortunes following the country's independence from Spain. He is also, as this biography makes clear, grossly misrepresented. ø Will Fowler provides a revised picture of Santa Anna's life, offering new insights into his activities in his bailiwick of Veracruz and in his numerous military engagements. The Santa Anna

who emerges from this book is an intelligent, dynamic, yet reluctant leader, ingeniously deceptive at times, courageous and patriotic at others. His extraordinary story is that of a middle-class provincial criollo, a high-ranking officer, an arbitrator, a dedicated landowner, and a political leader who tried to prosper personally and help his country develop at a time of severe and repeated crises, as the colony that was New Spain gave way to a young, troubled, besieged, and beleaguered Mexican nation.

The Alamo Story-Dean Kirkpatrick 2011-10-10 Are you going to the Alamo? Read this book first, then take it with you to see and remember it all. Most visitors just see the Alamo compound, where it ended, but the 1836 siege and battle took place all over the city. The Alamo Story and Battleground Tour is the first Alamo history book that tells the story at the places throughout San Antonio where Alamo events actually happened. This book combines an Alamo history from 1685 to 1836 with a self-guided tour. The places on the tour may be experienced through the pictures in the book or by following the maps and directions the book provides and actually walking the ground where the Alamo

heroes walked. Covering a distance of about two miles, much of it along the San Antonio River Walk, the written history and self-guided tour take you to the locations of: Davy Crockett's ashes, Jim Bowie's river palace, General Santa Anna's death flag, the Cos surrender house, La Villita, the forbidden footbridge, the Old Mill Ford, Jim Bowie's wedding in 1831, and many others. "It was a really interesting concept on that book and I enjoyed reading it. He did a good job on that one." – Daughter of the Republic of Texas, Alamo Committee Member (Designated Reviewer) "We can see that this book was a true labor of love....." – Ann Serrano, Librarian, The Dolph Briscoe Center for American History, University of Texas "To see the Alamo in a new way, you need to get this book." - Texas Country Reporter "Your research and knowledge and gift for the telling of this story is truly a tribute to those brave men who perished at that place and time in history." – Reader Spain and Portugal-Karl Baedeker (Firm) 1898

Lincoln's Greatest Case: The River, the Bridge, and the Making of America-Brian McGinty 2015-02-09 The untold story of how one sensational trial propelled a self-taught lawyer and a future president into the national spotlight. In May of 1856, the steamboat Effie Afton barreled into a pillar of the Rock Island Bridge, unalterably changing the course of American transportation history. Within a year, long-simmering tensions between powerful steamboat interests and burgeoning railroads exploded, and the nation's attention, absorbed by the Dred Scott case, was riveted by a new civil trial. Dramatically reenacting the Effie Afton case—from its unlikely inception, complete with a young Abraham Lincoln's soaring oratory, to the controversial finale—this "masterful" (Christian Science Monitor) account gives us the previously untold story of how one sensational trial propelled a self-taught lawyer and a future president into the national spotlight. Time Out Madrid-Editors of Time Out 2011-09-16 Madrid has gone from shanty town to imperial capital in the last seven centuries. The local writers of Time Out Madrid

assist travelers in seeing the city as a native, suggesting where to stay, eat, shop and experience its cultural offerings. Famed for its wild nights and lazy days, Madrid provides a whole lot more, from spectacular opera productions, chirpy folkloric zarzuela, and cutting-edge cuisine to ancient, tiled tabernas, designer-shoe shopping, and numerous flea markets. Written by resident journalists, Time Out Madrid also covers the artistic jewels housed in the Prado, Thyssen, and Reina Sofia, as well as the etiquette of watching a bullfight or joining in with a flamenco performance, as well as where to stay and how to escape the city heat. Also included are the intriguing stories behind some of the city's best-known paintings, where to find gourmet tapas, the yoga centers, spas, and Turkish baths. Climbing, skiing, and hang-gliding are all within reach of the city, and suggested trips out of town are also recommended. Louisa of Woods' Crossing-James Kaye 2007-05-15  
Louisa of Woods Crossing is about the Texas frontier just prior to the 1836 War of

Texas Independence. The fourteen year-old heroine of the story lived during times of hardships and dangers including nightmarish depredations by hostile Indians inclined to barbarous acts. Nothing was more feared than raids on cabins and the terrifying abductions of teen-aged girls. The family homestead on the Lavaca River was that of the typical log cabin with fields,

pastures, and the customary animals except for two red wolf watchdogs adopted as orphaned pups. The story is also an endearing one of close friendships with other pioneer girls.
