Sang nouveau (Jessica McClain tome 1)-Amanda Carlson 2013-04-10 « Je me réveillai entre quatre murs blancs avec l'odeur du désinfectant, du latex et du café dans les narines. On aurait dit une chambre d'hôpital typique, sauf que celle-ci accueillait exclusivement des loups-garous. Personne ne partageait cet espace avec moi, ce qui me facilitait les choses. Un loup nouveau-né, c'est le chaos assuré. J'étais devenue la seule louve à part entière de toute la planète. Ma nouvelle identité allait ébranler le statu quo du monde surnaturel. » Il n'est pas toujours facile d'être jeune et femme quand on est la seule représentante du sexe féminin dans une meute de loups-garous. Et la situation semble devenir vraiment très compliquée pour Jessica, 26 ans, lorsqu'elle apprend qu'elle représente pour les siens le mal absolu et que son existence a pour but l'anéantissement de sa race. Pour sauver sa vie, elle va devoir fuir...

Jessica Blandy - Tome 19 - Erotic attitude-Jean Dufaux 2010-03-26T00:00:00+01:00 L'amour à mort"Éloigne-toi, fais-toi oublier". Ce conseil, Jessica compte bien le suivre à la lettre. Pourtant, c'est dans les couloirs lisses du musée Guggenheim à New York que sa vie va prendre un nouveau tournant. Il a pour nom Gary Benson. Il est séduisant et peintre. Son thème de prédilection : les femmes au moment de l'orgasme, qu'il a peintes dans une série de tableaux baptisée "Erotic attitude". Jessica serait un modèle parfait... Mais elle hésite, elle sort d'une histoire violente. Même si, encore et toujours, son instinct et ses désirs la poussent en avant. Ce qu'elle ignore, par contre, c'est que les précédents modèles de Benson ont été massacrés par un tueur sans pitié. Et qu'en acceptant de poser à son tour, Jessica risque d'être sa prochaine victime...Un polar sexy et implacableC'est dans le monde de l'art contemporain new-yorkais que Renaud et Dufaux ont planté l'action de ce thriller haletant. Une nouvelle fois, Jessica va croiser la route d'un meurtrier pervers et violent, d'autant plus implacable que ses victimes sont sublimes. Jessica, déstabilisée par son bras de fer avec les mafiosi et les flics véreux (voir nos 17 et 18), est une cible idéale. Avec Erotic attitude, Dufaux et Renaud imposent véritablement "Jessica Blandy" comme l'une des séries policières les plus maîtrisées du moment.

Raison de Tuer (Un Polar Avery Black - Tome 1)-Blake Pierce 2017-01-11 « Un scénario dynamique qui vous saisit dès le premier chapitre et ne vous laisse plus partir. » Midwest Book Review, Diane Donovan (à propos de Sans Laisser de Traces) De l'auteur de polars n°1 Blake Pierce nous vient un nouveau chef-d'œuvre de suspense psychologique. La lieutenant de la police criminelle Avery Black a traversé l'enfer. Autrefois la meilleure avocate de la défense, elle est tombée en disgrâce quand elle a réussi à faire sortir un brillant professeur de Harvard - seulement pour le voir tuer à nouveau. Elle a perdu son mari ainsi que sa fille, et sa vie s'est effondrée autour d'elle. Essayant de se racheter, Avery s'est tournée vers l'autre côté de la loi. En travaillant dur pour gravir les échelons, elle a atteint la Brigade Criminelle, au mépris des autres agents, qui se souviennent encore de ce qu'elle a fait, et qui la haïront toujours. Cependant même eux ne peuvent nier qu'Avery a un esprit brillant, et quand un inquiétant tueur en série sème la peur au cœur de Boston, tuant des filles issues des meilleures universités, c'est vers Avery qu'ils se tournent. C'est l'occasion pour Avery de faire ses preuves, de trouver finalement la rédemption dont elle a tant besoin. Et pourtant, comme elle va bientôt le découvrir, Avery va se heurter à un tueur aussi brillant et audacieux qu'elle. Dans ce jeu psychologique du chat et de la souris, des femmes meurent avec de mystérieux indices, et les enjeux ne pourraient être plus élevés. Une frénétique course contre la montre mène Avery à travers une série de rebondissements stupéfiants et inattendus - culminant dans un climax que même Avery ne pourrait imaginer. Un sombre thriller psychologique au suspense palpitant, Raison de Tuer marque le début d'une nouvelle série captivante - et un nouveau personnage apprécié - qui vous laissera à tourner les pages jusque tard dans la nuit. Le tome 2 de la série Avery Black sera bientôt disponible. « Un chef-d'œuvre de thriller et de roman policier. Pierce a fait un travail formidable en développant des personnages avec un côté

psychologique, si bien décrits que nous nous sentons dans leurs esprits, suivons leurs peurs et applaudissons leur succès. L'intrigue est très intelligente et vous gardera occupés le long du livre. Plein de rebondissements, ce livre vous gardera éveillés jusqu'à avoir tourné la dernière page. » Books and movie Review, Roberto Mattos (à propos de Sans Laisser de Traces)

The Silk Roads-Peter Frankopan 2016-02-16 Far more than a history of the Silk Roads, this book is truly a revelatory new history of the world, promising to destabilize notions of where we come from and where we are headed next. From the Middle East and its political instability to China and its economic rise, the vast region stretching eastward from the Balkans across the steppe and South Asia has been thrust into the global spotlight in recent years. Frankopan teaches us that to understand what is at stake for the cities and nations built on these intricate trade routes, we must first understand their astounding pasts. Frankopan realigns our understanding of the world, pointing us eastward. It was on the Silk Roads that East and West first encountered each other through trade and conquest, leading to the spread of ideas, cultures and religions. From the rise and fall of empires to the spread of Buddhism and the advent of Christianity and Islam, right up to the great wars of the twentieth century—this book shows how the fate of the West has always been inextricably linked to the East. Also available: The New Silk Roads, a timely exploration of the dramatic and profound changes our world is undergoing right now—as seen from the perspective of the rising powers of the East.

Backstage Practices of Transnational Law-Lianne J.M. Boer 2019-04-16 This book explores the 'backstage' of transnational legal practice by illuminating the routines and habits that are crucial to the field, yet rarely studied. Through innovative discussion of practices often considered trivial, the book encourages readers to conceptualise the 'backstage' as emblematic of transnational legal practice. Expanding the focus of transnational legal scholarship, the book explores the seemingly mundane procedures which are often taken for granted, despite being widely recognized as part of what it means to 'do transnational law'. Adopting various methodologies and approaches, each chapter focuses on one specific practice: for example, mooted exercises for law students, international travel, transnational time, the social media activities of lawyers and legal scholars, and the networking at the ICC's annual Assembly of States Parties. In and of themselves, these chapters each provide unique insights into what happens before the curtain rises and after it falls on the familiar 'outputs' of transnational law. It does more, however, than provide a range of different practices: it takes the next step in theorizing on the importance of the marginal and the everyday for what we 'know' to be 'the law' and what the international legal field looks like. Furthermore, by interrogating undiscussed academic practices, it provides students with a candid view on the perils and promises of transnational legal scholarship, inviting them to join the discussion and to practice their discipline in a more reflexive way. Written in an accessible format, containing a readable collection of personal and recognizable accounts of transnational legal practice, the book provides an everyday insight into transnational law. It will therefore appeal to international legal scholars, alongside any reader with an interest in transnational law.
