Tunisia Since the Arab Conquest-Jacob Abadi 2013 This comprehensive history of Tunisia covers an essential period in the country's development, from the Arab conquest of the 7th century to the Jasmine Revolution and the fall of Ben Ali's regime in 2010. The book describes the evolution of the Tunisian state, its place in the Mediterranean basin, and its contacts with the civilizations of that region. Beginning with the conquest of AD 648-669, it analyzes the crucial events that shaped the country's history in the dynastic age. The book then goes on to discuss the impact of the Ottoman conquest, as well as the impact of the European competition in the Mediterranean, on the development of the Tunisian state. Tunisia since the Arab Conquest provides a thorough coverage of the French conquest and the French Protectorate, and their influence on the country's development. It discusses Franco-Tunisian relations in a vivid manner and explores the impact of the first and second World Wars on the country. The book then examines the Tunisian nationalist movement and the country's struggle for independence, assessing the main personalities who played a role in that movement. Tunisia's relations with France and the methods by which the country obtained its independence are discussed in great

detail. The narrative continues with an analysis of the political, social, economic, and cultural developments in Tunisia since its independence, including an in-depth analysis of the country's achievements and failures under the regimes of Habib Bourguiba and Ben Ali. Based on primary and secondary sources in Arabic, French, Italian, Hebrew, and English, this book provides the reader with a comprehensive history of the country. It will be essential reading for students and academics who wish to understand the formative years of the Tunisian state, as well as the political developments which took place after its independence. *** "Abadi provides a comprehensive, detailed, and factual narrative of Tunisian history..." Doing Business 2007-World Bank 2006-01-01 "Doing Business 2007 focuses on reforms, identifies top reformers in business regulation, and best practices in how to reform. This volume is the fourth in a series of annual reports investigating global regulations that enhance business activity and those that constrain it. Co-sponsored by the World Bank and the International Finance Corporation - the private sector arm of the World Bank Group - this year's report measures quantitative indicators on business regulations and their enforcement compared across 175 countries - from Afghanistan to Zimbabwe - and over time. Doing Business 2007 updates indicators developed in the three preceding reports. The ten indicators are: starting a business, dealing with licenses, hiring and firing, registering property, getting credit, protecting investors, trading across borders, paying taxes, enforcing contracts, and closing a business. The indicators are used to analyze economic and social outcomes, such as informality, corruption, unemployment, and

poverty. This annually published report gives policymakers the ability to measure regulatory performance in comparison to other countries, learn from best practices globally, and prioritize reforms. This year's report covers 20 additional countries."

La saga du RER et le maillon manquant-Christian Gerondeau 2003 Jamais les événements surprenants qui donnèrent naissance au Réseau express régional que nous connaissons n'avaient été dévoilés. C'est cette lacune que comble Christian Gerondeau, qui en fut un des principaux acteurs. Trente ans après avoir imaginé et fait adopter le schéma actuel du Réseau express régional, Christian Gerondeau propose en outre un nouveau projet révolutionnaire. Celui-ci mettra l'aéroport Charles-de-Gaulle à vingt minutes des Champs-Élysées, résolvant ainsi le lancinant problème de la desserte de notre grand aéroport national, en même temps qu'il placera Versailles, à l'autre extrémité de la région, à un quart d'heure de la plus belle avenue du monde. A coup sûr l'un des grands projets nationaux des années à venir.

Why Did the Chicken Cross the World?-Andrew Lawler 2016-04-26 "Beginning in the jungles of Southeast Asia, trekking through the Middle East, traversing the Pacific, Lawler discovers the secrets behind the chicken's transformation from a shy, wild bird into an animal of astonishing versatility, capable of serving our species' changing needs. Across the ages, it has been an all-purpose medicine, sex symbol, gambling aid, inspiration for bravery, and of course, the star of the world's most famous joke. Only recently has it become humanity's most important single source of protein. Most surprisingly, the chicken--more than the horse, cow, or dog-- has been a remarkable constant in the spread of civilization across the globe"--Page 4 of cover.

Consent-Vanessa Springora 2021-02-16 Already an international literary sensation, an intimate and powerful memoir of a young French teenage girl's relationship with a famous, much older male writer—a universal #MeToo story of power, manipulation, trauma, recovery, and resiliency that exposes the hypocrisy of a culture that has allowed the sexual abuse of minors to occur unchecked. Sometimes, all it takes is a single voice to shatter the silence of complicity. Thirty years ago, Vanessa Springora was the teenage

muse of one of the country's most celebrated writers, a footnote in the narrative of a very influential man in the French literary world. At the end of 2019, as women around the world began to speak out, Vanessa, now in her forties and the director of one of France's leading publishing houses, decided to reclaim her own story, offering her perspective of those events sharply known. Consent is the story of one precocious young girl's stolen adolescence. Devastating in its honesty, Vanessa's painstakingly memoir lays bare the cultural attitudes and circumstances that made it possible for a thirteen-year-old girl to become involved with a fifty-year-old man who happened to be a notable writer. As she recalls the events of her childhood and her seduction by one of her country's most notable writers, Vanessa reflects on the ways in which this disturbing relationship changed and affected her as she grew older. Drawing parallels between children's fairy tales and French history and her personal life, Vanessa offers an intimate and absorbing look at the meaning of love and consent and the toll of trauma and the power of healing in women's lives. Ultimately, she offers a forceful indictment of a chauvinistic literary world that has for too long accepted and helped perpetuate gender inequality and the exploitation and sexual abuse of children.
