Uncharted-Colette Baron-Reid 2016 "In Uncharted, internationally acclaimed intuitive counselor and "spiritual cartographer" Colette Baron Reid, whose best-selling books include *The Map* and *Messages from Spirit*, shows us that in the new normal of uncertainty, we can overcome the challenge of feeling disoriented, scared, and helpless and chart a path to new possibilities. It's in the places unfamiliar to us--the uncharted places--where magic lies. Here we can claim our innate power to give birth to an extraordinary life and become who we are called to become.

Colette explains, "When we're lost, we all want a map--but maps can only tell us where we've been." All of us, personally and collectively, are headed somewhere new, to a future that has not yet been imagined, and we're creating it as we go. With her trademark compassionate candor and reassuring humor, as well as input from a wise, loving consciousness who call themselves "Fred," Colette guides us on a journey of co-creation through five interconnected realms--the Realms of Spirit, Mind, Light, and Energy, Form. Whatever we wish to experience and manifest, if we start in the realm of Form, trying to fix our lives and think our way out of our problems, we end up living inauthentically and feeling disappointed. But if we orient ourselves in the Realm of Spirit first, a magical process of transformation begins within, from which we can manifest a new reality far better than we might ever have imagined. Following this path, we get to experience what we came to create in the Realm of Form, and watch as our fear gives way to a deep sense of purpose and enthusiasm for participating in the co-creative process.

Throughout *Uncharted* are fresh and exciting exercises drawn from Colette's trademarked energy psychology process, IN-Vizion
