Its more or less what you dependence currently. This la saugé des chamans vertus tharapeutiques et rituels, as one of the most dynamic sellers here will definitely be along with the best options to review.

La saugé des chamans-Marie Delclos 2016-10-29
Étymologiquement, le mot « saugé » signifie « sauver » et c'est en raison de ses innombrables vertus qu'elle a été ainsi nommée. Le chamanisme, première religion reconnue par

tous les peuples et reposant sur la médiation entre l'homme et les esprits de la nature, a su reconnaître dans cette plante la panacée universelle. Pour témoigner du lien étroit entre cette plante et l'humanité, Marie Delclos rapporte les légendes issues des traditions successives faisant la part belle à la saugé, ainsi

que les us et coutumes qui s'y rattachent. Ensuite, l'auteur nous apprend à l'identifier et nous fait découvrir ses différentes espèces, propriétés et principes actifs. En fonction de l'usage et des effets recherchés, il existe de nombreuses préparations (aqueuses, alcooliques, grasses, sous formes de condiments, d'huiles essentielles, ou encore de fumigations...) dont les recettes sont précieusement transmises dans cet ouvrage. Le chaman « homme-médecine » soigne tous les types de maladies, qu'elles soient physiques, mentales, psychologiques ou spirituelles. Ainsi, qu'il s'agisse de protéger, de purifier ou d'harmoniser, une douzaine de rituels sacrés sont présentés et vous serez accompagné pas à pas dans leurs réalisations pratiques (pour purifier les lieux, trouver ses esprits alliés, son esprit gardien et son animal de pouvoir, explorer le monde d'en haut et le monde d'en bas, entreprendre des voyages chamaniques, pratiquer le rituel de l'homme-médecine, invoquer le Grand Esprit...).

Le pouvoir secret des cristaux-Patrick Drouot
2012-04-11 Depuis plusieurs millénaires, les

cristaux et les pierres précieuses, et leurs assemblages, sont employés à des fins thérapeutiques. On sait en effet que certaines pierres reproduisent les effets qu'on trouve dans les lieux telluriques ou sacrés Aujourd'hui, de nouvelles voies s'ouvrent, permettant de mieux connaître leur pouvoir afin de les utiliser avec plus d'efficacité. La sphère d'action des cristaux est très vaste. Ils peuvent nous aider à développer notre bien-être, à entretenir notre santé, à accompagner notre évolution personnelle, à stimuler notre créativité, à enrichir nos rêves... Ce livre fait le point sur toutes les manières d'utiliser les cristaux, depuis les plus anciennes fondées sur la tradition, jusqu'aux plus récentes basées sur la découverte des cristaux-maîtres. L'auteur partage sa longue expérience dans ce domaine et propose des conseils pratiques permettant au lecteur de commencer à utiliser lui-même les cristaux pour améliorer sa vie quotidienne.

Le manuel du chaman-Denise Linn 2016-12-05
Découvrir des méthodes spécifiques pour se connecter aux sources mystiques et appliquer les

pratiques anciennes de guérison dans votre vie actuelle.

Devenir chaman, même pas peur !-Grasselli Marianne 2019-04-16 Le chamanisme vous attire-t-il autant qu'il vous questionne? Entre l'exotisme traditionnel qui fascine et la réalité objective occidentale, existe-t-il une place pour des expériences spirituelles authentiques et sincères ? Ne vous fiez pas aux apparences ! Il existe un chaman des champs et un chaman des villes. Dans le ciel, aucun signal de fumée et nul gri-gri ne pend à sa ceinture. Le tambour est resté sur l'étagère. Dans le monde profane, le chaman est un homme ou une femme ordinaire, comme vous l'êtes, avec les mêmes préoccupations de se vêtir, se nourrir, dormir, aimer, vivre et mourir. Mais je m'égare... ils ne sont pas exactement comme vous : ils savent faire plusieurs choses à la fois, comme vivre et mourir, être présents et absents, rêver et travailler... Ils n'ont rien à montrer, à démontrer, à vouloir : ils savent. Ils connaissent la perfection de cet instant où vous prenez ce livre, le feuilletiez et que vous vous demandez déjà s'il vous est adressé. En chacun

de vous, un ou une chaman-e veille, prêt-e à s'éveiller à son potentiel, à saisir la chance qui lui est offerte...

Grand dictionnaire français-italien-Antonio Sergent 1869

Magical Aromatherapy-Scott Cunningham 1989 Explains the effects of fragrance, identifies useful flowers, spices, herbs, and oils, and suggests their magical properties

Druidcraft: The Magic of Wicca and Druidry-Philip Carr-Gomm 2014-03-27 Druidry and Wicca, also known as "the Craft", are the two great streams of the Western Pagan tradition. Both traditions originated in the British Isles, and both are now experiencing a renaissance all over the world, as more and more people seek a spirituality rooted in a love of nature.

The Practice Of Aromatherapy-Jean Valnet 2012-05-31 An explanation of aromatherapy, what it is and how it works with especial reference to fifty plants and essences. It includes a guide to the plants and essential oils used in aromatherapy and how they can keep the body and mind healthy.

The Hashishin Club-Theophile Gautier
2013-03-31 The Club des Hashischins ("Club of the Hashish-Eaters"), was a Parisian literary group dedicated to the exploration of drug-induced altered states of consciousness, principally through the use of hashish, a concentrated form of cannabis resin. Notable members of the club, which was active from 1844 to 1849, included Victor Hugo, Alexandre Dumas, Charles Baudelaire, Gerard de Nerval, Honoré de Balzac, and Théophile Gautier, all dedicated to experimenting with drugs and recording drug-induced visions. Whilst Baudelaire notably produced his treatise "The Poem Of Hashish" based on his experiences at the club, the most notable record of the group's activities and experiences under the influence of hashish remains Gautier's "Le Club des Hachichin", first published in the Revue des Deux Mondes in February 1846. This text also includes a section on the original hashishin, the assassins who served the Old Man of the Mountain, a figure later identified by William S. Burroughs as Hassan i Sabbah. Transmutation and insanity

loom over Gautier as he explores a hypnagogic inner world of monstrous distortions and shadows, on a trip into the revelries of Walpurgisnacht. The result is an enduring masterpiece of drug literature.

Encyclopedia Of Herbal Medicine-Andrew Chevallier 2016-07-01 Are you using natural remedies to reduce stress or improve your health? With the fully updated and revised Encyclopedia of Herbal Medicine, you can join the ever-increasing numbers that are. Written by Andrew Chevallier, a fellow of the National Institute of Medical Herbalists, the Encyclopedia of Herbal Medicine is the unrivalled guide to home healing and herbal medicine. The Encyclopedia of Herbal Medicine details the properties of each medicinal herb, with a strong focus on safety to ensure safe natural healing for the whole family. Learn how to grow, harvest, and process your own

ingredients to create natural remedies and improve your health - naturally. Previous ISBN 9780751312096

Ojibway Heritage-Basil Johnston 2011-01-28
Rarely accessible beyond the limits of its people, Ojibway mythology is as rich in meaning and mystery, as broad, as deep, and as innately appealing as the mythologies of Greece, Rome, Egypt, and other civilizations. In Ojibway Heritage, Basil Johnston sets forth the broad spectrum of his people's life, legends, and beliefs. Stories to be read, enjoyed, dwelt on, and freely interpreted, their authorship is perhaps most properly attributed to the tribal storytellers who have carried on the oral tradition which Basil Johnston records and preserves in this book. From the Trade Paperback edition.

Exercices d'histoire des religions-Philippe Borgeaud 2016-05-17
Exercices d'histoire des religions is a collection of nineteen studies by Philippe Borgeaud, showcasing his many reflections on the categories and tools used to describe and compare such evanescent concepts as "religions", "myths" and "rituals". Exercices

d'histoire des religions rassemble dix-neuf articles de Philippe Borgeaud, illustrant sa réflexion sur les outils et catégories employés pour décrire et comparer des concepts aussi évanescents que les « religions », les « mythes » ou les « rituels ».

Reinventing Data Protection?-Serge Gutwirth 2009-05-24
data. Furthermore, the European Union established clear basic principles for the collection, storage and use of personal data by governments, businesses and other organizations or individuals in Directive 95/46/EC and Directive 2002/58/EC on Privacy and Electronic communications. Nonetheless, the twenty-first century citizen - utilizing the full potential of what ICT-technology has to offer - seems to develop a digital persona that becomes increasingly part of his individual social identity. From this perspective, control over personal information is control over an aspect of the identity one projects in the world. The right to privacy is the freedom from unreasonable constraints on one's own identity.

Transactiondata-bothtraf?candlocationdata-dese

our particular attention. As we make phone calls, send e-mails or SMS messages, data trails are generated within public networks that we use for these communications. While traffic data are necessary for the provision of communication services, they are also very sensitive data. They can give a complete picture of a person's contacts, habits, interests, activities and whereabouts. Location data, especially if very precise, can be used for the provision of services such as route guidance, location of stolen or missing property, tourist information, etc. In case of emergency, they can be helpful in dispatching assistance and rescue teams to the location of a person in distress. However, processing location data in mobile communication networks also creates the possibility of permanent surveillance.

Book of Shadows-Anon 2013-01 This is a magical journal, or diary. A book in which to record your own magical path in your own hand. Your journey is your own, this book is but a tool to help you along that path. By sunlight, by moonlight
Blessed Be.

The Complete Idiot's Guide to the Akashic Record-Colin Andrews 2010-06-01 The universal consciousness is an open book to those willing to explore it. The Complete Idiot's Guide® to the Akashic leads readers on a journey into their personal past, present, and future, learning the fundamentals of the Akasha - a Hindu word variously translated as sky or space - and how to use the Record to explore their hidden past, heal old wounds, live an authentic life in the present and affect the future. - Explores cutting edge aspects of Body/Mind/Spirit -universal consciousness, synchronicity, energy fields, and more - How to decode the Akashic Record through meditation, visualization, and lucid dreaming techniques that anyone can learn
Plants of the Gods-Richard Evans Schultes 1979
The Valley of Horses-Jean M. Auel 2002 After being cast out of the Clan that had adopted her as a child by the new leader, Ayla shares a lonely valley with a herd of steppe ponies, harnesses their power, and discovers speech and love with Jondalar, a member of her own race. Reprint.

The Rejection of Consequentialism-Samuel Scheffler 1994-08-11 In contemporary philosophy, substantive moral theories are typically classified as either consequentialist or deontological. Standard consequentialist theories insist, roughly, that agents must always act so as to produce the best available outcomes overall. Standard deontological theories, by contrast, maintain that there are some circumstances where one is permitted but not required to produce the best overall results, and still other circumstances in which one is positively forbidden to do so. Classical utilitarianism is the most familiar consequentialist view, but it is widely regarded as an inadequate account of morality. Although Professor Scheffler agrees with this assessment, he also believes that consequentialism seems initially plausible, and that there is a persistent air of paradox surrounding typical deontological views. In this book, therefore, he undertakes to reconsider the rejection of consequentialism. He argues that it is possible to provide a rationale for the view that agents need not always produce the best possible

overall outcomes, and this motivates one departure from consequentialism; but he shows that it is surprisingly difficult to provide a satisfactory rationale for the view that there are times when agents must not produce the best possible overall outcomes. He goes on to argue for a hitherto neglected type of moral conception, according to which agents are always permitted, but not always required, to produce the best outcomes.

The Little Book of Christmas-Dominique Foufelle 2017-10-03 This festive follow-up to The Little Book of Saints and The Little Book of Angels explores the wonderful rituals and rich history surrounding Christmas. From the story of the nativity to the legends that have inspired beloved holiday traditions (like why Father Christmas arrives through the chimney), this collection includes Christmas customs from around the world. Beautifully illustrated with color lithographs taken from missals and prayer books, this joyful little book is a Christmas treasure for the whole family to gather around year after year.

Wit'ch Fire-James Clemens 2002-02-05 On a fateful night five centuries ago, three mages made a desperate last stand, sacrificing everything to preserve the only hope of goodness in the beautiful, doomed land of Alasea. Now, on the anniversary of that ominous night, a girl-child ripens into the heritage of lost power. But before she can even comprehend her terrible new gift, the Dark Lord dispatches his winged monsters to capture her and bring him the embryonic magic she embodies. Fleeing the minions of darkness, Elena is swept toward certain doom--and into the company of unexpected allies. There she forms a band of the hunted and the cursed, the outcasts and the outlaws, to battle the unstoppable forces of evil and rescue a once-glorious empire . . . From the Paperback edition.

The Mammoth Hunters-Jean M. Auel 1986 Ayla and Jondalar embark on a journey that takes them to the Mamutoi, the Mammoth Hunters, and Ayla must make a fateful choice between two men--Jondalar and Ranec, the Mamutoi's master carver--in a story of Ice Age Europe. Reissue. The End of Days-Zecharia Sitchin 2009-10-13

Why is it that our current twenty-first century A.D. is so similar to the twenty-first century B.C.? Is history destined to repeat itself? Will biblical prophecies come true, and if so, when? It has been more than three decades since Zecharia Sitchin's trailblazing book *The 12th Planet* brought to life the Sumerian civilization and its record of the Anunnaki—the extraterrestrials who fashioned man and gave mankind civilization and religion. In this new volume, Sitchin shows that the End is anchored in the events of the Beginning, and once you learn of this Beginning, it is possible to foretell the Future. In *The End of Days*, a masterwork that required thirty years of additional research, Sitchin presents compelling new evidence that the Past is the Future—that mankind and its planet Earth are subject to a predetermined cyclical Celestial Time. In an age when religious fanaticism and a clash of civilizations raise the specter of a nuclear Armageddon, Zecharia Sitchin shatters perceptions and uses history to reveal what is to come at The End of Days.

Becoming Supernatural-Joe Dispenza 2019-03-05

"The author ... draws on research conducted at his advanced workshops since 2012 to explore how common people are doing the uncommon to transform themselves and their lives"--
The Plains of Passage (with Bonus Content)-Jean M. Auel 2010-10-06 This eBook includes the full text of the novel plus the following additional content: • An exclusive preview chapter from Jean M. Auel's *The Land of Painted Caves*, on sale in hardcover March 29, 2011 • An Earth's Children® series sampler including free chapters from the other books in Jean M. Auel's bestselling series • A Q&A with the author about the Earth's Children® series Ayla, the heroine first introduced in *The Clan of the Cave Bear*, is known and loved by millions of readers. Now, in *The Plains of Passage*, Ayla's story continues. Ayla and Jondalar set out on horseback across the windswept grasslands of Ice Age Europe. To the hunter-gatherers of their world--who have never seen tame animals--Ayla and Jondalar appear enigmatic and frightening. The mystery surrounding the woman, who speaks with a strange accent and talks to animals with their

own sounds, is heightened by her uncanny control of a large, powerful wolf. The tall, yellow-haired man who rides by her side is also held in awe, not only for the magnificent stallion he commands, but also for his skill as a crafter of stone tools, and for the new weapon he devises, the spear-thrower. In the course of their cross-continental odyssey, Ayla and Jondalar encounter both savage enemies and brave friends. Together they learn that the vast and unknown world can be difficult and treacherous, but breathtakingly beautiful and enlightening as well. All the pain and pleasure bring them closer to their ultimate destination, for the orphaned Ayla and the wandering Jondalar must reach that place on earth they can call home. As sweeping and spectacular as the land she creates, Jean M. Auel's *The Plains of Passage* is an astonishing novel of discovery, danger, and love, a triumph for one of the world's most original and popular authors.

Legends of My People, the Great Ojibway-Selwyn H. Dewdney 1977 Beliefs, tales and legends of the great Ojibway nation of Lake Nipigon and the

Thunder Bay district.

Huron-Wendat-Georges F. Sioui 2011-11-01 In this book, Georges Sioui, who is himself Wendat, redeems the original name of his people and tells their centuries-old history by describing their social ideas and philosophy and the relevance of both to contemporary life. The question he poses is a simple one: after centuries of European and then other North American contact and interpretation, isn't it now time to return to the original sources, that is to the ideas and practices of indigenous peoples like the Wendats, as told and interpreted by indigenous people like himself?

Where the Spirits Ride the Wind-Felicitas D. Goodman 1990-08-22 "The book is clearly written for the general reader and includes many descriptions of trance experiences. It may serve as a good introduction to the nature and appeal of the shamanic revival in modern Western cultures." —Theological Book Review "... a case study in experiential anthropology that offers a unique mix of autobiography, mythology, experiential research, and archaeological data to

support a challenging thesis—that certain body postures may help induce specific trance states." —Shaman's Drum "This is a spellbinding and exceptionally readable book by an extraordinary woman." —Yoga Journal "And suddenly the understanding of my own vision washed over me like a mighty wave... For life or for death, I was committed to that mighty realm of which I was shown a brief reminder, the world where all was forever motion and emergence, that realm where the spirits ride the wind." —from the Prologue Goodman reexamines our notions of the nature of reality by studying the ritual postures of native art assumed by her subjects during trance states. For readers desiring to discover this world of ancient myths, she has included a practical guide on how to achieve such ecstatic experiences. The Way of Tarot-Alejandro Jodorowsky 2009-11-17 Filmmaker Alejandro Jodorowsky's insights into the Tarot as a spiritual path • Works with the original Marseille Tarot to reveal the roots of Western wisdom • Provides the key to the symbolic language of the Tarot's "nomadic cathedral" • Transforms a simple divination tool

into a vehicle for self-realization and healing Alejandro Jodorowsky's profound study of the Tarot, which began in the early 1950s, reveals it to be far more than a simple divination device. The Tarot is first and foremost a powerful instrument of self-knowledge and a representation of the structure of the soul. The Way of Tarot shows that the entire deck is structured like a temple, or a mandala, which is both an image of the world and a representation of the divine. The authors use the sacred art of the original Marseille Tarot--created during a time of religious tolerance in the 11th century--to reconnect with the roots of the Tarot's Western esoteric wisdom. They explain that the Tarot is a "nomadic cathedral" whose parts--the 78 cards or "arcana"--should always be viewed with an awareness of the whole structure. This understanding is essential to fully grasp the Tarot's hermetic symbolism. The authors explore the secret associations behind the hierarchy of the cards and the correspondences between the suits and energies within human beings. Each description of the Major Arcana includes key

word summaries, symbolic meanings, traditional interpretations, and a section where the card speaks for itself. Jodorowsky and Costa then take the art of reading the Tarot to a depth never before possible. Using their work with Tarology, a new psychological approach that uses the symbolism and optical language of the Tarot to create a mirror image of the personality, they offer a powerful tool for self-realization, creativity, and healing.

Folk Medicine of the Delaware and Related Algonkian Indians-Gladys Tantaquidgeon 2007-07 From early childhood, author Gladys Tantaquidgeon, a Mohican Indian, has been keenly interested in the history & traditions of her people. She studied anthropology in college, & has done research among the surviving eastern Algonkian Indians of New England & Canada. In 1934 she joined the U.S. Indian Service & became a community worker on a Sioux reservation, & later served as a specialist in Indian arts & crafts for the U.S. Dept. of the Interior. Upon retirement, she & her brother operated a museum of Indian arts & crafts. The

first section of this book, Delaware Medicine Practice & Folk Beliefs was first published in 1942. The second part, Notes on Mohegan Practice & Folk Beliefs was originally published in 1926. Illustrations.

The Sacred History-Jonathan Black 2014-09-04 From the bestselling author of The Secret History of the World, an exploration of the mystical forces that shape and protect us The Sacred History is an account of the workings of the supernatural in history. It tells the epic story of angels, from Creation, to Evolution through to the operations of the supernatural in the modern world. This tale of how people and peoples have been helped by angels and other angelic beings is woven into a spellbinding narrative that brings together Krishna, Moses, Buddha, Elijah, Mary and Jesus, Mohammed, Joan of Arc, the angels who helped Hungarian Jews persecuted by the Nazis, and stories from African, Native American and Celtic traditions. Told from the spiritual point of view, The Sacred History relates every betrayal, every change of heart, every twist and turn, everything that looks like a coincidence,

every portent, every clue, every defeat, every rescue moments before the prison door clangs shut. This is the angelic version of events. Desert Songs-Arita Baaijens 2008 Arita Baaijens gave up her job as an environmentalist nearly twenty years ago, and has been exploring the deserts of Egypt and Sudan with her small camel caravan ever since. In Desert Songs she recounts her passion for the desert, the place she loves and fears. On one level Desert Songs reads as an ode to camels, vistas and horizons, nomads and exploration. On another it is a story about an inward journey, a rite of passage. It is about leaving the world you know to venture into the unknown where you discover your true strength. How strong are you when there's no backup? Where do your limits lie? Baaijens sets out on a voyage of self-discovery and unrelenting physical trials to find the answers. The experience changes her forever.

The Expanding World Ayahuasca Diaspora-Beatriz Caiuby Labate 2018-02-15 During its expansion from the Amazon jungle to Western societies, ayahuasca use has encountered

different legal and cultural responses. Following on from the earlier edited collection, The Expanding World Ayahuasca Diaspora continues to explore how certain alternative global religious groups, shamanic tourism industries and recreational drug milieus grounded in the consumption of the traditionally Amazonian psychoactive drink ayahuasca embody various challenges associated with modern societies. Each contributor explores the symbolic effects of a "bureaucratization of enchantment" in religious practice, and the "sanitizing" of indigenous rituals for tourist markets. Chapters include ethnographic investigations of ritual practice, transnational religious ideology, the politics of healing and the invention of tradition. Larger questions on the commodification of ayahuasca and the categories of sacred and profane are also addressed. Exploring classic and contemporary issues in social science and the humanities, this book provides rich material on the burgeoning expansion of ayahuasca use around the globe. As such, it will appeal to students and academics in religious studies, anthropology, sociology,

psychology, cultural studies, biology, ecology, law and conservation.

Evangeline the Second-Antonine Maillet 1987 At the age of 80, Evangeline is uprooted from her beloved Acadia and sent to Montreal to live with her son and daughter-in-law. One day, in a city park, she encounters three other 'exiles'.

Confessions, revelations and personal entanglements ensue in a play that passionately affirms the human dignity and right to self-determination of the elderly and the dispossessed.

The Land of Painted Caves (with Bonus Content)-

Jean M. Auel 2011-03-29 #1 NEW YORK TIMES

BESTSELLER BONUS: This edition contains a reading guide and an interview with Jean M.

Auel. In this, the extraordinary conclusion of the ice-age epic series, Earth's Children®, Ayla, Jondalar, and their infant daughter, Jonayla, are living with the Zelandonii in the Ninth Cave. Ayla has been chosen as an acolyte to a spiritual leader and begins arduous training tasks.

Whatever obstacles she faces, Ayla finds inventive ways to lessen the difficulties of daily

life, searching for wild edibles to make meals and experimenting with techniques to ease the long journeys the Zelandonii must take while honing her skills as a healer and a leader. And there are the Sacred Caves that Ayla's mentor takes her to see. They are filled with remarkable paintings of mammoths, lions, and bears, and their mystical aura at times overwhelms Ayla. But all the time Ayla has spent in training rituals has caused Jondalar to drift away from her. The rituals themselves bring her close to death, but through them Ayla gains A Gift of Knowledge so important that it will change her world. Sixth in the acclaimed Earth's Children® series.

The People Named the Chippewa-Gerald Robert Vizenor 1984

Cunningham's Encyclopedia of Magical Herbs-Scott Cunningham 2012-04-08 Do you work magic with herbs? Do you use them in spells, for talismans or simply use their innate powers? If you don't have Cunningham's Encyclopedia of Magical Herbs, you need to get it right away. This book has become a classic in its field. Paul Beyerl, a respected author on herbs calls it "...an

essential reference book by students of herbalism and magick alike ... Scott's personable charm touches every page... I highly recommend this book." And Jeanne Rose, famous author of books on herbs and developer of an herbal course says "I love books like this ... It is accessible, easy to read, and with its encompassing index (all too often neglected), simple to use as well." Over 200,000 people already have this book and use it frequently. In this edition of the book (it's expanded and revised on the 15th anniversary of original publication) you will find the magical properties and folklore of over 400 herbs! You'll also find lists of herbs based on their magical powers, their genders, their planetary rulers, and more. Perhaps the most important list is the folk name cross-reference. With that information, when a recipe calls for "bramble, " you'll know it needs blackberry. Or if the magic calls for "enebro," you'll know you that is juniper. The main part of this book is the listings of the herbs. Each one includes names, associations, and magical attributions. Violets can be used for protection, luck, love, and more. Primrose is for

protection and love. Garlic is for protection, healing, exorcism, lust, and prevention of theft. This book is considered a classic. It is probably consulted more than any other book on this subject. If you want to learn the secrets of magical herbs, this book is a must!
You Are Magical-Tess Whitehurst 2018-09-08
Answer the Call... Since you were a child, you've heard the ancient, mesmerizing siren song of your inherent spiritual power. When you grew up, you never dismissed the idea that there's power at your fingertips—power you can use for crafting your world to match your desires. You've always felt that because you are magical. With dozens of spells for every major purpose, You Are Magical shows you how to fully embrace your spirituality and create positive change in yourself and the world. You'll discover the legacy of your magic, how it's uniquely yours, and exactly what ingredients and steps you need to craft a truly magnificent life. This practical and profoundly inspiring guide empowers you to become the person you were born to be: a magical agent of change who is connected with nature, the

cosmos, and All That Is. Praise: "Every time I sit down with a book by Tess Whitehurst, I know I'm in for something special and You Are Magical does not disappoint! Tess shows us how to kick things up and find our own magic! Her deep knowledge and radiant love for magic is contagious!"—Jodi Livon, author of The Happy Medium® book series "For all who seek to unlock the very real magic within, Tess Whitehurst offers not just one key, but an entire golden key ring that opens the sacred mysteries of life and love. A generous and perceptive book!"—Sara Wiseman, author of Messages from the Divine and The Intuitive Path "I've been working on incorporating a little more magic and ritual into my life since I finished grad school, so I was excited to see this book. It has a little bit of everything, from brief touches on the history of Earth-based spiritual practices to ways to make the everyday a little more magical."—Book Riot

The Ecological Indian-Shepard Krech 1999 Challenging many sacrosanct notions about the relationship between Native Americans and nature, the author discusses the possible role of

Pleistocene-era humans in eradicating the mastodon, over-irrigation of crops among the Hohokam of Arizona, and slash-and-burn farming techniques. Reprint. 10,000 first printing.

Earth Power-Scott Cunningham 1983 The ways of magic are revealed in nature . . . The secrets are written in meandering streams and drifting clouds, whispered by the roaring ocean and cooling breeze, echoed through caves and rocks and forests. When you draw a heart in the sand, call on the four winds for assistance, or ask the rain to wash away a bad habit, you are practicing earth magic. By working in harmony with nature, we can transform ourselves, our lives, and our world. This tried-and-true guide offers more than one hundred spells, rites, and simple rituals you can perform using the powerful energy of the earth. Scott Cunningham was a greatly respected teacher and one of the most influential members of the modern Craft movement. A practitioner of elemental magic for twenty years, he wrote more than fifty books, including the seminal Wicca: A Guide for the Solitary Practitioner.
