The Law of Opulence-Wallace D. Wattles 2020-03-18 The Law of Opulence, originally published in 1905 as a series of three articles in The Nautilus, the leading New Thought magazine of its day, explains how success can be attained by living happily in God's world. Read and learn about attaining health, wealth, and happiness.

The Personal MBA-Josh Kaufman 2010-12-30 Master the fundamentals, hone your business instincts, and save a fortune in tuition. The consensus is clear: MBA programs are a waste of time and money. Even the elite schools offer outdated assembly-line educations about profit-and-loss statements and PowerPoint presentations. After two years poring over sanitized case studies, students are shuffled off into middle management to find out how business really works. Josh Kaufman has made a business out of distilling the core principles of business and delivering them quickly and concisely to people at all stages of their careers. His blog has introduced hundreds of thousands of readers to the best business books and most powerful business concepts of all time. In The Personal MBA, he shares the essentials of sales, marketing, negotiation, strategy, and much more. True leaders aren't made by business schools-they make themselves, seeking out the knowledge, skills, and experiences they need to succeed. Read this book and in one week you will learn the principles it takes most people a lifetime to master.

One Small Step Can Change Your Life-Robert Maurer 2014-04-22 Improve your life fearlessly with this essential guide to kaizen—the art of making great and lasting change through small, steady steps. Written by psychologist and kaizen expert Dr. Robert Maurer, One Small Step Can Change Your Life is the simple but potent guide to easing into new habits—and turning your life around. Learn how to overcome fear and procrastination with his 7 Small Steps—including how to Think Small Thoughts, Take Small Actions, and Solve Small Problems—to steadily build your confidence and make insurmountable-seeming goals suddenly feel doable. The science is irrefutable: Small steps circumvent our brains' built-in resistance to new behaviors. Throughout this book, Dr. Maurer also shows how to visualize virtual change so that real change can come more easily. Why small rewards lead to big returns. And how great discoveries are made by paying attention to the little details most of us overlook. His simple regiment is your path to continuous improvement for anything from losing weight to quitting smoking, paying off debt, or conquering shyness and meeting new people. Rooted in the two-thousand-year-old wisdom of the Tao Te Ching—"The journey of a thousand miles begins with a single step"—here is the way to change your life without fear, without failure, and start on a new path of easy, continuous improvement.
